

BINGOS BEAT LEAF'S OPENING GAME, IN 17 ININGS. 3 TO 2

JUSTIN WORKED ENTIRE DISTANCE

Single by Oakes, With Man on Second, Won for Bingos.

2 OUT IN SEVENTEENTH

Play of Bugs Hersche at Third Notable Feature of Long Game.

Special to The Toronto World. Binghamton, N.Y., May 8.—Battling for three hours and forty-two minutes, the Binghamton and Toronto baseball teams played seventeen innings before Binghamton forged ahead one score in the lead and won the game. After two men were down in the last of the seventeenth inning, Oakes, local left fielder, singled sharply to left field with Barnes on second base, and Barnes scored the winning run at exactly 7.35 o'clock.

Justin and Barnes were engaged in a battle royal for pitching honors, with the advantage equal after the seventh inning, and the men went out in one, two, three order from that time on until the final inning. Barnes had the better of the argument in the number of his annexed during the time he pitched, but he entered the game in the seventh inning and was fresher than his rival. Justin allowed ten hits in seventeen innings and Barnes allowed three hits in ten innings.

Bugs Hersche was one of the stars of the game. He played third base in the absence of the regular man, who is on the way, and held the position down to food advantage.

A big celebration preceded the game, in which all of the prominent citizens of the city participated. A parade of the city, with thousands of cars in line, marched to the grounds, with the uniformed baseball players riding in cars at the head.

In the eighth inning Bingos was relieved by Barnes, and the new pitcher was somewhat wild at first. He walked Wagner and Warhop hit safely and then Hersche walked, filling the bases. The next two men filed out to the shortstop and Justin ended the inning by flying out to Riley. This was the only tight fix that the Bingos pitcher got in, and after that he had things all his own way.

The first inning saw all of the scoring that Toronto did. The first man up, singled. Thrasher sacrificed and Onslow hit a long three-bagger down the right field foul line, scoring Laid. Wagner then hit a sacrifice fly, scoring Onslow. This ended the Toronto rally and saved the Binghamton team. Barnes was liberal with his gifts and gave away five passes to the initial sack.

Two speedy double plays prevented a Binghamton score and also a Toronto score on as many occasions.

This evening the players were guests of the Army Theatre at a box party to see the play "Over the Top." A prominent Binghamton merchant offered to give a \$50 Liberty Bond to any player of either team making a home run, but his offer was safe.

In the annals of baseball this is the longest game on the opening day that has ever been recorded and the 6000 that attended the game nearly all stayed until the last of the seventeenth.

Two bands furnished music during the game.

BASEBALL IN KITCHENER. Kitchener, May 8.—The Kitchener Baseball Club will not affiliate with the O.A.B.A. this season. The executive came to this decision tonight after fully considering the local situation, which is anything but bright for good ball.

The Military Service Act has depleted the material to such an extent that a good team could not be fielded from the four local teams. Shirk, Coleman and Triesch, the star pitchers, as well as several of the executive fielders, have been drafted.

The depleted ranks of the four local teams will be filled with juniors and City League games will be played. The season opens on May 18.

At Newark—Newark opened the new International League season with a victory over Syracuse, 9 to 1. Elliott, who started for Syracuse, was pounded for three runs in the opening inning, and his wildness and poor fielding on his own part put him in a hole in the second. After he had given three runs, and with two on bases and none out, he was relieved by Destro. Cather greeted Destro with a single that drove in the two base occupants, but thereafter the relief pitcher was effective. Woodward, for Newark, was virtually impenetrable until he eased up in the sixth inning. The fielding was fast on both sides, there being double plays. Score: R.H.E. Syracuse, 1 0 0 0 0 0 0 0 5 2 2; Newark, 9 0 0 2 0 0 0 0 9 1 1. Batteries—Elliott, Destro and Hopper; Woodward and Bruggy.

New Haven, Conn., May 8.—Governor Marcus H. Holcomb has refused to permit the Willard-Pulton fight to take place in Connecticut. Recently James P. Mulvihill of New Haven, who has been seeking to bring the fight to this state, wrote to the governor asking for his sanction. Governor Holcomb, in a reply, declines to permit the fight to be staged in this state.

EIGHT STRAIGHT WINS FOR GIANTS

And Eight Straight Defeats for Phillies—Baseball Scores and Records.

At New York (National)—New York defeated Philadelphia yesterday 3 to 2. It was Philadelphia's eighth straight defeat and New York's eighth straight victory.

After Meusel was called out at the plate in the ninth inning on a play which would have tied the score, but ended the game, several of the Philadelphia players rushed Al Moran, the umpire. Burns pushed the umpire, who struck back with his fist. Manager McGraw and other players separated the men. A spectator then threw a can at the umpire. The score: R.H.E. Philadelphia, 3 0 0 0 0 0 0 11 2 0 3; New York, 0 0 0 0 0 0 0 0 3 6 3. Batteries—Frederick, Tincup and C. Burns; Ferritt and Rariden.

Brooklyn, 0 1 0 1 0 0 0 0 1 3 0 3; Boston, 0 0 0 1 0 0 0 2 4 9 3. Batteries—Schneider, Conley, Regan, Eller and H. Smith; May, Meadows and Snyder.

At Pittsburg—Hitting two Pittsburg pitchers hard, Chicago won yesterday 2 to 1, after losing the first two games of the series. Chicago scored five runs off Cooper in the first three innings, and Steele was sent in as relief pitcher. The latter also was unable to stop the visitors, three runs being made on four singles and a home run. Tyler pitched good ball for Chicago. The score: R.H.E. AMALGAMATION IS HOT TOPIC FOR HORSEMEN

New York, May 8.—Doubt as to whether the National and American Trotting Associations will amalgamate at their joint meeting at Terre Haute, Ind., on May 18 was expressed by J. C. Welby, president of the former organization, at the close of a meeting of its board of directors here today. The National could not be expected to surrender its charter, he said, and he questioned whether the American would resume its former position as a subordinate to the National.

Mr. Welby declared that, while the board at its meeting did not discuss this season's trotting, there was a possibility that the National would not hold meetings because of opposition by the auditor of Ohio. He explained that the auditor of Ohio has expressed his opposition to the holding of the holding of fairs open to be conserved for war purposes.

FOR ANNUAL BOWLING TOURNEY.

The annual meeting of the executive committee of the Ontario Bowling Association will be held at the Queen's Hotel today at 3:30 p.m. Representatives of affiliated clubs are requested to be present. The principal business will be the naming of the date for the annual tournament.

COBOURG BASEBALL LEAGUE.

Cobourg, May 7.—With a junior and senior series and a well officered town league, baseball bids fair to boom in Cobourg this season. The teams are already getting down to hard practice, preparatory to the first game. Matches will be played at Victoria Park on Saturday afternoon and on week evenings, the new daylight saving legislation affording abundant time.

OLD STARS TO PERFORM.

Chicago, May 8.—An association of old-time baseball players has been formed as a result of the war charity game arranged between players of a decade and tomorrow, when the line-up for the game was given out. In the list of names appears that of the evangelist, Billy Sunday, who will play right field on one team; Fred Pfeffer, famous in his day as a second baseman; Wee McGill and Tony Mullens, opposing pitchers; Kid Gleason, Jake Stahl, Jimmy Ryan, Barry McCormick and Frank Houseman.

KINGSTON MAN CLAIMS TO HAVE STARTED WAR

Kingston, May 8.—There is a man locked up in the city police station who claims that he was responsible for the war. The Kaiser, he says, had nothing to do with the starting of the war. The man is an Austrian, about forty years old, and was arrested here several days ago for violating his parole. His case was investigated and he was given a chance to go to work at the locomotive works, at the same time to be under the eye of the local police. He worked but one day, yesterday, and then suddenly his mind became deranged, and, running to the police station, he declared that he was responsible for the war and that a band of men were surrounding him. He will be sent to an asylum for treatment.

TO AVOID CONFISCATING ALIEN ENEMY HOLDINGS

Ottawa, May 8.—Alleging that at the commencement of war between Great Britain and Germany, bonds of Alberta, amounting to \$5,000,000 were deposited and held in Belgium or in other places now occupied by enemy, the company sought legislation to prevent the negotiation of these securities and to relieve it of liability.

T. Mulvey, under-secretary of state, told the committee that he had investigated the operations of this company and its predecessor, the German Development Company, which was controlled by the German interests. The passage of this bill would confiscate the property of alien enemies. This might induce retaliation by Germany, and it would probably be advisable to consult the home government, as such action would be picked for the opening game with St. Francis on Saturday.

LONDON WORKERS MAKE NEW RIVETING RECORD

London, May 8.—The record made recently by Charles Schock, who at Baltimore drove in 2720 rivets in nine hours, has been beaten in London. The workmen of Fraser & Neave, engineers and boiler-makers, asked the management to give them an opportunity of beating Schock's record, and the effort was made yesterday by a selected squad of riveters under Robert Farrant, aged 31. He is one of a family of riveters in the same yard, aged 67, is riveter in the same yard. The yard set out to do 2500 rivets in nine hours, so as to beat Schock's figure. Farrant passed that total in six hours. Going on, he hammered in nine hours, an average of slightly less than 475 an hour, or one rivet every 7 1/2 seconds. This is claimed to be a world's record.
