

NOVA SCOTIA (29) ALMANACK.

A beauteous squirrel skin his girdle holds,
A gay device his dark blue robe unfolds,
An Indian sash suspends his hunters horn,
And parrot tints his mocassins adorn.
Closed his thin lip; his small and piercing eye
Is fixed on vacancy:—does he descry
Time past,—when all things bow'd to Indian race?
Or, time to come,—without a single trace

PHASES OF THE MOON FOR SEPTEMBER, 1836.

- ☾ Last Quarter, - - 2d d. 7 h. 34 m. Evening.
