Directions and Instructions for Telegraphing Fire Alarms—Keys are left with the occupants of buildings in the vicinity of each fire alarm box. The members of the police force also possess keys. The following will be observed when a fire is discovered: Go to the box, open the door and pull the hook down as far as it will go, firmly and without jerking, and let it slide back; if the alarm is not immediately heard upon the small bell within, or upon the tower bells, go to the next nearest box and repeat the operation. Key-holders are cautioned not to open the box except in case of fire; to not give an alarm till certain of a fire; to not give an alarm for a fire seen at a distance; to pull down the hook but once in giving an alarm;

to not let the key go out of their possession except when demanded by proper authority

The citizens of Toronto are particularly requested to report any crimes or offences which they know to have been committed in the city immediately at the nearest station, that a detective may be telegraphed for, and it is particularly desirable that no steps be taken to detect thieves or ruffians until the matter has been placed in the hands of the detectives. All complaints with reference to over charges by cab or delivery men promptly attended to. Detectives and policemen are always on duty, night and day, at headquarters, and can be obtained in case of necessity

Cab Tariff

Rates of fare authorized by City ordinances relative to public carriages, etc. etc
