LECTURE COURSE AT Y. M. C. I. WELL OPENED

Dr. Phillip A. Cox, of U.N.B., Speaks on Astronomy Before Interested Audience

The lecture course of the Y. M. C. I. at Cliff street, was very successfully opened yesterday afternoon, when Dr. Phillip A. Cox gave a deeply interesting address on astronomy before a large gathering of the members. Dr. W. F. Broderick, chairman of the educational committee, presided and graciously introduced the lecturer. Also on the platform were His Lordship Bishop LeBlanc and Rev. W. M. Duse.

Professor Cox first congratulated the Catholic body upon having a prelate with such paternal care for his people, one filled with zeal and the progressive spirit and so able to carry on the great works he sees necessary for the Catholic manhood of the diocese. He also congratulated His Lordship upon the loyal support of the Catholic people. The lecturer then for an hour held the closest attention of his auditors as he took them out into the immeasurable distances of the starry world. He avoided the technical and gave an illuminating, deeply interesting address, and at the conclusion he expressed the hope that what he had said might lead some among his hearers to take up this absorbing study.

A hearty vote of thanks was tendered Doctor Cox, ably moved by D. J. Shea and seconded by Joseph Melliday. Several excellently sung selections by Arthur Hoskins and the national anthem, by all, brought the proceedings to a close. Other speakers in the course will be Dr. David Townsend of River Glade Sanitarium, and Hugh Hamilton of Moncton.

SON OF W. L. WILLIAMS DANGEROUSLY ILL AT CLEARING STATION

Official Word to Soldier's Mother Today — Confirmation of News of Death of Two St. John Men

Again the grim toll of war is being demanded of the people of St. John. The increase in the number of casualties over the weekend is believed to indicate that the Canadian forces are again in the thick of the fight and gallantly doing their share in the mighty effort of the Allies to bring early and decisive victory.

This morning official word reached the home of W. L. Williams, 212 Princess street, that his son, Pte. Irvin Williams, infantry, was officially reported as dangerously ill at No. 42 casualty clearing station on February 17. The news came as a great shock to the soldier's parents.

Mrs. Williams is twenty years of age, and went overseas as a member of the 116th Battalion. He crossed from England to France with another soldier. Only a few weeks ago his mother had a letter from him and he then was well. Writing to friends in the city he said that he had been recently buried several feet from the effects of a high explosive shell explosion, but he had escaped injury. He is a well known and universally liked young man. He left his course in the high school, continuing within two months of graduation. While at school he was prominent in sports and was a general favorite with all. His many friends will hope for good news soon.

Mrs. Edward Jones, of 21 Rebecca street, has received a telegram from Ottawa, confirming the announcement of her husband's death which occurred in France on June 15. Private Jones was a member of the 26th, and prior to going overseas was in the employ of T. McAvity & Sons in the foundry in Water street.

Miss Graham, of 260 Brussels street, has received confirmation of the news of the death of her brother, H. Wilbur Graham, who died in France as a result of wounds on June 15. He was also a member of the 26th. A recent letter received in the city from a soldier in France conveyed the news that Privates Graham, Jones and French, all St. John boys, were killed instantly by a shell. They were sent out of the trenches to bring in rations. They had first got out in the open when they were killed.

SLIPP PREDICTS A GREAT FUTURE FOR FLEMMING

Whose Shoes Hon. B. Frank Slipp Says His Critics Are Not Fit to Unlatch—"Meat of the Money Returned"

The Hon. A. R. Slipp, minister of lands and mines, speaking at the morning session of the Legislature on Saturday was careful to limit his remarks largely to his own efforts on behalf of the country, but in closing he did attempt to minimize the criticism which he knew would be forthcoming in regard to the crowd and scandals which caused Mr. Flemming's retirement.

In effect, Hon. Mr. Slipp said that while it must be admitted that Mr. Flemming had done something which he ought not to have done still Mr. Flemming had only made a mistake, a thing which had occurred many times in public life both here and elsewhere, and in Mr. Flemming's case there was the redeeming feature that the greater part of the money had been returned, and no one had suffered more for his mistake than Mr. Flemming himself. Hon. Mr. Slipp further said:

"History is full of instances of men in public life who had erred and have lived to redeem themselves and to be of great assistance and benefit to their country, and I feel sure that in Mr. Flemming's case history will only repeat itself."

DEATH OF MRS. S. E. ROBERTSON

Daughter of the Late Sheriff Sturdee, of St. John Passes Away in Moncton

Moncton, N. B., Feb. 19.—The death of Mrs. S. E. Robertson occurred about half past one o'clock this morning in the Moncton Hospital. Mrs. Robertson was operated upon on last Wednesday and was apparently progressing favorably towards recovery. Last night, however, there was a sudden change for the worse; she became unconscious and passed away.

Mrs. Robertson was a daughter of the late Sheriff Sturdee of St. John. She had been a resident of Moncton for the last four or five years, during which time she had made many friends, who deeply sympathize with those bereaved by her death. She was a devoted mother and a valued member of St. George's choir, and her services were freely given at musical and literary entertainments for charitable and religious purposes.

Mrs. Robertson is survived by her husband and three-year-old son, Charles, also one sister, Mrs. A. J. MacQuarrie of Moncton, and three brothers, Russell Sturdee of St. John, E. L. Sturdee of Boston and Capt. H. E. C. Sturdee, overseas. The body will be taken to St. John for interment.

STRUCK BY CAR FENDER

John Dalling, aged thirty-five years and residing in Sheriff street, narrowly escaped serious injury yesterday morning while on his way to work. So far as can be learned, Mr. Dalling was walking out Paradise row on his way to the cotton mill. He was about between Harris and Lombard streets when street car 128, driven by Motorman Hanselpecker was also proceeding out towards the cotton mill. At the time the man was seen by the motorman, it is understood, he sounded his bell and with this Mr. Dalling wheeled around and was struck with the fender of the street car and thrown to the ground. Fortunately the car did not pass over him. He was hurt quite badly and was suffering from several cuts about the head. He was removed to the General Public Hospital, where his condition is not regarded as serious.

The North End police investigated the matter and it is understood that it was found to be purely accidental.
