RECENT DEATHS

Chief of Police Simpson said last night that Policeman James Power had finished his service in the department. The chief did not think it advisable to give an explanation regarding the matter.

Mrs. Katherine B. Wetmore, wife of Henry S. Wetmore, 11 Tintic street, died suddenly yesterday following an operation, in the 48th year of her age. She is survived by her husband, three sons and four daughters. The sons are Harry G. Hazen F. and Louis, all of this city; and the daughters, Mrs. C. B. Johnston, of Montreal; Misses Marion, Dorothy and Helen, all of this city. She leaves also a mother and two half-sisters.

Solomon Dakin died at his home in Antwerp yesterday. He was seventy-one years of age and is survived by one brother, one son and five daughters.

The death of Mrs. Annie Alton, widow of Hugh Alton, occurred in Penobscot at the age of sixty-four years. She is survived by one son, two daughters, one sister and one brother.

Do not envy the rich. Those with great wealth mostly have great cares, and few to truly love them.

I am instructed to sell at 93 St. James St., tomorrow (April 1st) morning at 10 o'clock, the entire stock of household furniture without reserve, including Singer Sewing Machine, Ten Iron Bedsteads, Mattresses and Springs, Wardrobe, Carpets, One Organ, Parlor Tables, Rockers, Mirror, One Carpet Square, One Settee, Pictures, Oilby, Toilet Sets, Kitchen Chairs, Blinds, Curtains, Sideboard, Two Dining-room Tables, One Dozen Dining-room Chairs, Six Cots, One Range and other household effects.

I. WEBBER, Auctioneer. 4-1.

Suffering Little Ones Cured by Dr. Cassell's Tablets

Five Months-old Infant Who Weighed Only 7 lbs.

So Thin His Mother Shuddered to Undress Him

Never Believed He Could Live

But Now Bright and Well, Cured Absolutely by DR. CASSELL'S TABLETS

Here is matter to interest every mother throughout this great Dominion: the frank, grateful testimony of other mothers who have proved Dr. Cassell's Tablets a real help in winning back health for their suffering little ones. And the cases are not in any way exceptional; they show just such splendid results as any mother may expect from systematic use of this valuable medicine. Dr. Cassell's Tablets have proved their worth in Great Britain, where their sale is the largest of its class, and in the British beyond the seas their reputation is advancing rapidly.

Now read what a happy mother has to say of Dr. Cassell's Tablets. She is Mrs. Fern, of 82 Desborough-road, Eastleigh, Hants, England, and her story is as given to an interviewer. She said:

"When I think of all that Dr. Cassell's Tablets have done for my little baby I bless the day I heard of them. I am convinced they saved my child's life."

"My little Harold was a fine baby when born, but soon he began to fall, and when a few weeks old I had to have advice. For four months baby was under treatment, but no good came of it; the child only got worse. It was pitiful to see him, he was so apalling thin. His little bones stood out all over his body. We could easily count the joints in his backbone, his shoulders were hollowed in like pits, and his cheek-bones stood up like ridges. It made me shudder to undress him, he was such a frail little skeleton of a baby. He could not keep any-

power to move has been lost. Partic- larly is this so in the case of children and numberless cures have been effected and are constantly being effected, but here in Canada as well as other parts of the Empire. Mrs. Parsley of Chag Hill, Brainerd, Essex, England, said: "Baby was only about a year old when she began to lose the use of her limbs and soon became quite helpless. I course, we were very much alarmed, as when we were told the child would be able to walk for years, we almost believed better she just wasted away. I could find for her, but nothing seemed to help the child at all. Indeed, instead of getting better she just wasted away. I was a mere frame. She hardly anything, and was so weak and ill that I could not even see possible she could recover."

"Then we gave her Dr. Cassell's Tablets. The first effect of the Tablets was that the baby got sound, natural sleep. Then she improved in general health, as gradually power returned to her, and baby got stronger and stronger, more plump, till now she is quite cured."

It is cures like the above, the genuine- ness of which has been thoroughly in- vestigated, that have made Dr. Cassell's Tablets one of the most talked of remedies of modern times. Their safety and purity, their suitability for young and old alike, and their peculiar efficacy have ensured a high reputation throughout the world. Treat their inability as a remedy if you suffer from Nervous Breakdown, Nerve Pain, Fatigue, Stomach Disorder, Wasting, Debility, and they are specially calculated for nursing mothers and girls at proaching womanhood. All druggists and storekeepers throughout the Dominion sell Dr. Cassell's Tablets at 50 cents per bottle. A Free Sample will be sent on receipt of 5 cents for mailing and packing, by the Sole Agents for Canada H. F. Ritchie & Co., Ltd., 10 McCas- sil Street, Toronto, Ont.
