Consolidation

Miller's Creek Coal

It has come to our notice that there are those making a door to door canvass selling a coal claimed to be exactly the same coal as CONSOLIDATION Miller's Creek.

It is true that coal other than CONSOLIDATION Miller's Creek has been imported which is reputed to be from the Miller's Creek district. Be that as it may, it is not CON-SOLIDATION Miller's Creek, and there is no coal exactly the same. CONSOLIDATION Miller's Creek has qualities found in no other, even in the Miller's Creek district.

If it is genuine the word "CONSOLIDATION" as well as Miller's Creek should appear on your delivery slip. If the word "CONSOLIDATION" is not there, you are not getting the genuine article. The word "CONSOLIDATION" is used to protect the public from substitution and trickery.

The genuine article can be had in Saint John from the following: C. R. Nelson, Fairville, telephone West 576; Robert Roberts, 26 Murray street, telephone Main 4763; Peerless Coal Co., 71 Dock street, telephone Main 2647, or direct from the sole wholesale distributors in the Maritimes,

worse during the past four years. In his own constituency, 1,500 fewer perple were employed this year than in 1921, and it was similar throughout the provinces where mines were working one or two days a week. It was strange that men had to be driven to such looting, as had occurred recently, for lack of work.

"If the Conservatives will be kind enough not to put many obstacles in our way, we will redeem their pledges as well as our own," said Mr. Lapointe. The Minister of Justice deplored the "tendency to sectionalism," which he described as a disintegrating force in public life.

West End Scouts Enjoy Lecture

St. Jude's and the Kirk Boy Scout troops in West Saint John with Scoutmaster T. Linton and Rev. W. McN. Matthews in charge, held a joint meeting last night in St. Jude's rooms and heard with close attention a lecture by Scoutmaster Eli Boyaner on "Light. Color, and Vision." There were 30 of the scouts present. Mr. Matthews speke briefly. An investiture of two of St. Jude's boys as tenderfoot Scouts was carried out impressively. Those invested were George Woodland and Frank McKee. A council circle was formed afterwards and songs, speeches and stories made the time pass very quickly. L. L. Johnson, district secretary made a plea for co-operation with the district organization and Scoutmaster Boyaner spoke on "Real Scouting." Assistant Cubmaster Douglas MacLennan spoke of the plans for the pack this season. A court of honor meeting was held afterwards.

PETTICOATS are still being advertised. They certainly die hard.

When considering the advisability of lending money, the banker is influenced not only by the security offered, but also by the character of the borrower.

Investors should be equally careful to take into consideration the character of the investment house in which they place their confidence.
