DAYLIGHT SAVING IS TALKED OVER

Representatives of Various Bodies at City Hall

General Idea for Shorter Period, Say May 13 to September 15—Labor Speaker Very Definite in Presenting Case for Plebiscite.

Several speakers at a meeting in city hall this morning were in favor of the adoption of daylight saving in St. John this year, and one voice was raised in opposition. Representatives were present from some of the local societies, including the Clerks' Association, Hardware, Retail Merchants' Association and Trades and Labor Congress.

Most of those heard were in favor of the shorter season, the majority seeming to agree upon May 13 to Sept. 15, while a suggestion was made that the matter go to the people in a plebiscite.

Commissioner Bullock, acting mayor, presided, and from the council Commissioners Jones and Thornton were present as well as six common clerk. The matter will come up again for action.

F. W. Daniel, of the Retail Merchants' Association, said they came, asking that if the railways changed to daylight time the association would like daylight time adopted. It seemed an advantage in every way to have an hour's extra daylight every day, and so far as the retailers' experience was concerned it had not meant any loss in business.

In reply to Commissioner Jones he said from the end of May till the end of September, over a shorter period, he thought would be sufficient. Taking the city as a unit, he said, he did not think it would be an advantage to have daylight time unless the railways had it.

J. G. Harrison said that he thought the daylight time saving scheme had last year been force too long. He thought the government railways could be brought to follow the example of the city as a unit, he said, but he thought they would run their legal trains on daylight time if the idea were adopted. He was in favor of the saving of an extra hour each day.

Mr. McAvity said that his firm was in favor of the idea, but would not like to see it adopted unless it were made general. He instanced inconveniences which had arisen last year through some being on old time and some on the new. The street railway, for instance, last year had not adapted it, and several of the factories, but if it could be made general it would be a good thing.

A. C. D. Wilson spoke as president of the St. John Clerks' Association in favor of the saving suggestion, saying that that body was heartily in favor of the idea.

J. Hunter White said that daylight time had been introduced at a later stage and not continued so long as happened last year, there would not be much opposition to it. So far as people in the country were concerned, he felt all who were in favor of it. If the city went on daylight time the merchants not being in line, could be overcome by an agreement with the school board. Mr. White spoke at length from a "health standpoint." He thought the earliest date when it should be adopted was Sept. 15, but he would like to see it last until October.

R. E. Armstrong, for the board of health, said that the body had not expressed any views on the matter as yet, but he thought if a shorter season were adopted, they would again favor it.

Mr. Daniel here said that speaking for the retailers, they would not be opposed to a shortening of the period, say from May 13 to Sept. 15.

H. D. Sullivan, president of the Hardware Clerks' Association, said he strongly supported it. He thought it would appeal to the young people of the city because it would help greatly to promote sport, giving more time in the evenings.

J. Mortimer Robinson, secretary of the N. B. Automobile Association, said he spoke for 8000 auto owners in the province in favor of the idea.

Thomas Arnsou, of the Y. M. C. A., spoke of the inconveniences attaching to the idea last year, but said if a uniform schedule were provided there would not be the same objections.

Mr. Campbell, president of the Trades and Labor Congress, said he did not think delegates to city hall should be allowed to prevail entirely in their views on a question of such vital importance as this. He suggested that the question should be asked on the ballot at the city elections on the second Tuesday in April. That was the only fair way and he thought the ballot should be extended to others besides those entitled to vote at the civic contests. The 7,000 or 8,000 people of the labor bodies must be represented on the matter, he said, and unless the question was decided upon in this way he could say that labor would be again opposed to it as last year. He had no wish to be a thorn in any one's side, or as agitating any special movements, but majority should rule, and if the issue were sustained by popular vote, the labor people would support it. Those who advocated daylight saving could in most cases afford to enjoy, it anyhow. Why did they not do so instead of causing inconvenience to about sixty per cent of the people of the city? Unless the question were settled at the polls there would be two different times in St. John again this year.

Joseph Kennedy, speaking from the Clerks' Association, said he believed if the scheme were adopted generally and for a shorter season than last year there would not be the inconvenience to which the last speaker had referred.

Commissioner Thornton said the common clerk had advised him that the scheme were adopted generally and for a shorter season than last year there would not be the inconvenience to which the last speaker had referred.

Mr. White said he would be more in favor of a compromise if it could be arranged, than of a plebiscite. He would not like it understood that there would be a strong dividing clash on the question. He would like to see the matter decided without any feeling.

LOCAL NEWS

FOR HOSE SUPPLY

Tenders for the supply of 1,500 feet of double jacket hose were opened today at noon at city hall. On motion they were passed to Commissioner Thornton to report back to the council. The tenders were—Foster & Sons, \$1,825; Gatta Percha Rubber Co. Ltd., \$1,450; Goodyear Tire and Rubber Co., \$1,200; and Dominion Rubber System, \$1,150-\$1,165.

THE CARLETON BAND

A meeting of those interested in the formation of a brass band in Carleton Place, on Tuesday evening, took place on Saturday evening in the "Prentice Boys' Hall." R. R. Lee presided. A committee was appointed to look into the matter of instruments with the idea of having those formerly in possession of the band and now held in trust, returned. Murray Long is to be the leader of the band.

CADET COMPETITIONS

Arrangements in connection with the physical training competitions of the cadet corps in the city have been completed, much interest being taken in the work on the part of the parents as well as the boys. The great benefit derived by the boys from the physical and military training is being realized by the parents and the lads are receiving much encouragement. The lieutenant-governor has been invited to attend the competitions, also the premier, the mayor, the commissioners and others interested.

METHODIST MINISTERS

The weekly meeting of the Methodist Ministers' Association was held this morning in Centenary church. Rev. Geo. Morris, pastor of Queen square church, the president, was in the chair. After a business session Rev. F. J. Armistead of Windsor, N. S., gave an interesting address, telling of some of the activities of the Nova Scotia conference. He reviewed the work in connection with the forward movement in the Methodist church in that province. It had been very successful and practically all the bright for great work to be accomplished.

LUDLOW STREET CHURCH

An innovation in connection with the young people's work of the Ludlow street Baptist church, West End, is the Sunday evening "sing song" held at the close of the regular service. Last week 100 were present. R. H. Parsons was in charge and among those taking a special part were John Linton of Fawcett, R. J. Rupert, Miss Sadie Burke, Miss E. G. Cochrane and Duncan McIntosh. Mr. McIntosh spoke of his friendship with the late Miss Fanny Crosby, blind hymn writer, following which several of the Crosby hymns were sung. A feature of the gathering was the large number of young men present. Mrs. Amos Horton presided at the piano, and was assisted by C. E. Rupert, violinist.

CAPTAIN MAJOR IS DINNER GUEST

Farewell Assembly at the Bungalow in His Honor on Saturday Evening.

A farewell dinner in honor of Capt. Reginald A. Major, M. C., was tendered by some friends on Saturday evening at the Bungalow, Pleasant Point. He is soon to leave the city for Hamilton, Ont., and his departure has caused regret among a large circle of friends with whom he has been particularly popular. The party left the city in a large sleigh about 8 o'clock and returned about midnight.

The dinner table was presided over by Major H. H. Donnelly with P. D. McAvity as vice-chairman. A very tempting menu was provided and after ample justice had been done to it there was an enjoyable round of toasts, songs and readings. Various speakers were heard in tributes to the guest of honor when heartfelt wishes were extended for success in his new home. Among the speakers on the festive list were James Pringle of Fredericton, D. B. Weldon, Moncton; G. E. Harley, Halifax; W. C. Lawson, Fredericton; Capt. Gibson, St. John; E. S. Reid, A. McMillan and J. B. Dever. A solo was given by Colonel McMillan and a reading by Major Donnelly, both of which afforded pleasure. Besides those mentioned there were present R. St. C. Hayes, I. McC. Ritchie, R. A. McAvity, Jack McKenzie, T. D. Bowen of Montreal, W. A. McDougall, C. P. Leonard, G. A. Stewart, Campbellton, W. H. McQuade, Bayard Coster and C. F. Leonard.

POLICE COURT

In the police court this morning a case against Albert Ritchie, charged with stealing cloth from the store of Abraham Dreskin, Main street, to the value of \$1,000, was resumed. Sergeant Rankine, who assisted in the arrest, told of being called to the store early on Friday morning to investigate a break of the night before. He found the back door forced and on going into the basement the door leading into Chapel street was ajar. He found the back door forced and on going into the basement the door leading into Chapel street was ajar. He found the back door forced and on going into the basement the door leading into Chapel street was ajar.

John Selan, a transfer, said he was hired by the accused to take a trunk from 14 Acadia street to Parker's barber shop in Mill street. The accused said he would meet him there when he had landed the trunk. On the way up Main street he said he was stopped by Mrs. Dreskin, who wanted to open the trunk, but he said he would get permit this unless a policeman was present. Policeman Colwell was called and opened the trunk and on seeing the contents ordered that it be taken to the police station, which the witness said he did. The policeman corroborated this statement. The trunk was identified in court. It contained five pieces of cloth.

Joseph L. Paul was charged with being a vagrant. He was allowed to go on condition that he would leave the city.

Two men, charged with drunkenness, were remanded to jail.

Hard to Get a Man Away From a Good Library Table!

Something magnetic about a neat Library Table. Seems to attract a man after a busy day at the office. Here correspondence may be taken care of and the necessary reading is easily disposed of.

Note how a man will automatically drift towards the library table—if there's one in the home (table we mean, not the man), and if there isn't a table in the home you better make it a point to get one the next time you get.

This is where we can help, as our stock of Library Tables is fully complete and the assortment includes the very table that will suit the most cautious purse or the one that isn't affected by price.
