Last night's game between St. Peter's and Fairville in the City League series was postponed on account of the weather. The batteries in last evening's contest were: Braves, Goslin and Johnston; All-stars, Gorman and Smith.
The Long Wharf Eagles won from the Fort Howe Tigers by the score of 8 to 0 on the Long Wharf grounds last evening. The batteries were: Eagles, McNulty and O'Brien; Tigers, Murphy and Stoen.

A fast and exciting game of baseball was played on the Victoria square diamond last evening when the Portlanders defeated the Champions by a score of 4 to 2. The batteries were: for the winners, Yeomans and Laskey; and for the losers, White and Moore.

A Tie Game.
The North End Cubs and the Fort Howe Stars played a tie game Monday evening, 10-10. The battery for the Cubs was Burke, Grant and Kennedy and for the Stars, McInnis and Wilson.

A Challenge.
The Ames Holden McCready baseball line wishes to challenge the team from W. H. Thorne & Company to a game of baseball on Saturday afternoon at three o'clock (daylight time) on the Barrack Square. An answer is requested through this paper.

Record Crowds Attend Games.
These are days of the unusual crowds record crowds, in fact, along the major league circuits. Only a few days ago the greatest throngs in New York baseball history gathered at the Polo Grounds to see Giants and Reds in a double header.

Yesterday the top mark was reached in that when 31,000 gathered to see the players Senators, and another record was reached at St. Louis when 27,000 attended the double header between Red Sox and Browns. During their recent home stand at the Polo Grounds the Yankees surpassed all previous attendance figures with 38,000 for a Sunday game and 23,000 for a mid-week double header.

TURF.
Labor Day Races.
David O'Keefe today received a dispatch from the Thompson, North Sydney, announcing horse races there for Labor Day and expressing the hope that there would be entries from here. The vents are—Free for purse \$400, 2:25 class, purse \$400; 2:30 class, purse \$300. Three seconds will be allowed trotters.

Again Postponed.
Poughkeepsie, N. Y., Aug. 19.—On account of a heavy track, due to the recent rains, the Grand Circuit races were again postponed today. The card originally scheduled for the opening day will be run tomorrow, with the addition of the 2:30 trot for a purse of \$1,000.

AQUATIC.
New Canadian Record.
Toronto, Aug. 18.—In the Canadian swimming championships at the High Park Swimming Club on Saturday Jack Barnes of the High Park Swimming Club, broke the Canadian record for the long plunge when he recorded an effort of sixty-three feet. The previous mark was fifty-eight feet. George Vernot, the eighteen-year-old swimming marvel of Montreal, was second with sixty-two feet, but in the 200 yards race he ran away from his field, showing sensational speed, and won by the full length of the

The action of the management of the Imperial Theatre and that of Messrs. White and Gregory in presenting silver cups to the three juveniles who rowed in the recent regatta is highly commendable and will tend to encourage that line of sport. The three boys give promise of developing into exceptionally good oarsmen and they deserve encouragement.

The weather man called a halt to the ball game last evening between St. Peter's and Fairville in the St. John League fixture. In some other local leagues games were played, but under most unfavorable conditions.

New York is fighting hard to keep the Cubs from ousting them from second place. Since Alexander has rounded into shape the latter team has been winning consistently and in Chicago there is hope expressed that both Chicago teams will clinch the pennant in their leagues. However the Cubs have a hard road to travel to beat either the Giants or the Reds to the flag.

The New York Yankees have run into a bad batting slump and unless they can recover and show some of their former pep they will be landing in the second division instead of winning the American League pennant. Quinn and Shawkey were overworked and cracked up with the team falling to a losing record. Liefeld pitched a great game for St. Louis yesterday, shutting out the Red Sox and holding them to a lone hit.

The talk of holding a rowing regatta on Lily Lake is beginning to strike the fancy of local lovers of the sport. The waters would be smooth and there would be no tides or currents to worry the oarsmen. In addition there would be an excellent view of the races all along the shores and no motor boats to worry the contestants. There is some talk of arranging another programme of events for Labor Day.

Frank White and J. A. Gregory, rowers at the regatta held in Courtenay Bay on Soldier's Joy Day, are to present a cup to Master McCavour, who finished third in the juvenile race. His rowing was greatly admired by all.

Wins in Record Time.
Riverton, N. J., Aug. 16.—Eugene T. Bolden, sailor of the Great Lakes Naval Training Station, furnished one of the biggest surprises of the season when he won the ten-mile national swimming championship in the Delaware River today, setting a new record for the event.

His time was one hour 59 minutes 18 seconds. He defeated twenty-eight men, among them some of the best swimmers in America.

Johnny Kerry of Canada and Harold Kreuger of the Oklans, A. C. backstroke champion, had a great battle for second place, the Canadian winning by a margin of only one second. They finished about half a mile behind Bolden. Bolden swam a four-boat straight crawl, with no pounding of the legs and a splendid hip movement. His stroke was so rapid that many thought he would not be able to maintain the pace throughout the race. He never wavered, however, and at the finish appeared comparatively fresh.

Revival of Rowing.
(New York Times.)
Few branches of sport, if any, were so completely quelled by war as was rowing, in both collegiate and club circles. Now no sport is showing a closer return to the normal conditions of pre-war times. During the past spring, rowing underwent a revival that was surprising and indications now point to a busy fall season for the oarsmen. Several regattas have been arranged, and the interest manifested is a guarantee that the sport will come close to the best standards of other years, in spite of the handicaps due to inactivity.

It was regrettable that the Poughkeepsie regatta could not have been revived in June, but this fact only emphasizes the extent to which rowing dropped as a result of the war. The Yale-Harvard regatta at New London attracted as great a crowd as in the halcyon days of peace and when the Hudson River classic is resumed next summer it is bound to receive a grand welcome.

TENNIS.
Australians Take Championship.
Newton, Mass., Aug. 20.—The lawn tennis doubles championship of America was won yesterday by Norman E. Brookes and Gerald L. Patterson, Australians. They took the title from its defenders, William T. Tilden of Philadelphia and Vincent Richardson of Yonkers, N. Y., in five spectacular sets 6-3, 6-4, 4-6, 4-6, 6-2, on the course of Longwood Cricket Club.

Although the Americans got only two games in the final set, it was perhaps the hardest fought of the five. The clock-like steadiness of Brookes and the

SPORT WRITER THINKS GIANTS HAVE POOR CHANCE TO WIN PENNANT

(New York Times.)
The fall of the Giants in four games of the series of six against Cincinnati last week just about settles the National League baseball argument for 1919. New York now has only a fighting chance. It is not out of the realm of possibility for the Giants to overtake the Reds, since stranger things have happened in baseball. Under present conditions, however, this seems like only an outside chance. The six-game series at the Polo Grounds showed a vast difference in the spirit of the two clubs. Moran's players are ambitious, fighting, aggressive, and confident. The spark of ambition seems to have gone from New York's makeup. Winning pennants is an old story with the Giants, while with the Reds it is a grand and glorious feeling of novelty.

If some of the other National League clubs were stronger and could give the Reds a battle in the remaining games of the season New York might have a chance, but with the Cincinnati club in such excellent condition and spirit as they showed here last week it does not look as if they would have much trouble with any club, outside of the Giants. New York can easily hold its own with the other clubs, for its pitching staff is easily as formidable as Cincinnati's. What made the Giants look so poorly in the Cincinnati series was their hitting slump. When a baseball club isn't hitting, nothing they do on the ball field looks right. New York stayed at the top of the race so long because their sluggers were clubbing the ball hard when the pitching was weak. Now that the pitching is stronger the hitting has fallen away sadly and there is nothing to offset it.

The experience of the Reds from now on will be like that of the Boston Braves

HE, TOO, IS CHEERFUL OVER CROP OUTLOOK

Toronto, Aug. 20.—F. S. McLeod, vice-president of the Canadian National Railways, who has just returned to Toronto after an extensive survey of the railway property in western Canada, said that he did not think the total wheat crop of Canada would be any less than the yield of last year and perhaps a little better.

KILLED IN RIOT AT THE CUDAHY PLANT

Serious Trouble Starts When Strikers' Wives Stone Women Office Force

Milwaukee, Wis., Aug. 20.—One man was killed, eight others were shot, one of them probably mortally wounded, and scores of other persons cut and bruised in a riot of strikers from the Cudahy packing plant at Cudahy, near here, yesterday.
The outbreak occurred when women from the office force attempted to leave the plant and were stoned by wives of the strikers. When deputies attempted to assist the works to safety, the women rioters screamed for their husbands, and when the men joined the fighting the officers were helpless under a fusillade of missiles. Each side accuses the other of starting the gun-fire.
