**MAY INVEST FOR THE PRINCE OF WALES IN LAND IN DOMINION**

King Reported to Be Considering the Matter—May Mean Royal Visit

London, Feb. 26.—The determining factor in regard to a visit by the Prince of Wales to Canada is likely to be the purchase of real estate for the prince in the Dominion, which is contemplated by the king. There is considerable money awaiting investment for the Prince of Wales, representing the accumulated funds saved from the Duchy of Lancaster. This is being administered in trust for the prince until he shall be twenty-one.

The purchase of real estate in Canada for the prince is a form of investment that has been under consideration by the king for some time. A plan proposed several years ago, which had the approval of the late King Edward, was to buy an estate in Norfolk, adjoining the Sandringham property, but this idea has been abandoned. The purchase of land in the Dominion is regarded as a far better investment.

If this plan is carried out, the prince will almost certainly visit Canada this year or early next. Meanwhile, however, arrangements may have to be made for the prince to visit at least two European courts, in connection with matrimonial arrangements, but much secrecy is being preserved in this matter.

Queen Mary's desire is that before the prince goes on any tour to the colonies the question of whom he is to marry shall be finally decided; but in this the prince may not so readily in line with his parents' desire. It is known that for the present he has no wish to be engaged.

**MORNING NEWS OVER THE WIRES**

In Utah Burghs yesterday returns to the by-election showed the election of Unionist, G. W. Currie by a majority of 16 over Provost Malcolm Smith, Liberal, as a result of the Labor party forcing a triangular contest. The seat was formerly strong Liberal, but the Labor party split the vote.

In the divorce court at Fredericton yesterday before Judge McKeown the case of Albert Danery vs. Katie Danery was ended, and the court considered, J. B. M. Baxter, K. C., appeared for the plaintiff and no defence was offered.

The case of Elizabeth Westwell vs. the N. B. and P. E. Island Railway will probably be finished to-morrow before Justice Crockett and a jury in Dorchester, N. B. This is an action for damages brought by the plaintiff for the death of her son killed while employed as a brakeman on the defendant company's train.

Quebec, Feb. 26.—Five hundred men were set to work today in connection with the erection of the Transcontinental workshops in this city.

**Fraternal Prescription For Nervous Wrecks**  
(From "Medical Reports")

Thousands of nervous wrecks, have found the following "fraternal prescription" a blessing and a boon. Such men lack aggressiveness, they are timid, nervous, easily discouraged, lacking in self confidence, and are unable to perform the ordinary natural and rational acts of daily life. They are afflicted with all kinds of ailments, such as indigestion, nervousness, sleeplessness, frightful dreams, unsteady gait and an absolute inability to perform the ordinary natural and rational acts of daily life.

A vigorous man works, plays, eats and sleeps abundantly, well, no matter what the desire is for relief and freedom from rich, red blood surging through the body, supplying the sensitive nerves with all the power of sensation, so that sleep is refreshing, food is delicious, work is play, and life is pleasure.

This treatment is thorough, simple and correct. The ingredients are used in filling various prescriptions and can be obtained of any well stocked drugist and mixed at home without embarrassment or questions.

Obtain three ounces of syrup sarsaparilla compound in a six ounce bottle. To this, add one ounce of compound fluid balsam and let stand two hours. Then add one ounce of tincture cadomene compound (not cardamon), and one ounce of compound essence cardiac. Mix, shake well and take a teaspoonful after each meal and one when retiring until a vigorous, bounding new health takes hold of the tired, exhausted nerves. Only a few weeks treatment will astonish, and rejuvenate, because the treatment is the right thing at the right time, and contains no deceptive opiates.

**RECENT DEATHS**

The death of John Doherty, for many years an employe of George Blake & Son, occurred yesterday afternoon at his home, 7 Hospital street, after a brief illness. He is survived by his wife.

**A FEELING OF SECURITY**

You naturally feel secure when you know that the medicine you are about to take is absolutely pure and contains no harmful or habit producing drugs. Such a medicine is Dr. Kilmer's Swamp-Root, the great Kidney, Liver and Bladder Remedy.

The same standard of purity, strength and excellence is maintained in every bottle of Swamp-Root. Swamp-Root is scientifically compounded from vegetable herbs. It is not a stimulant and is taken in teaspoonful doses.

It is not recommended for everything. According to verified testimony it is nature's great helper in relieving and overcoming kidney, liver and bladder troubles.

A sworn statement of purity is with every bottle of Dr. Kilmer's Swamp-Root.

If you need a medicine, you should have the best.

If you are already convinced that Swamp-Root is what you need, you will find it on sale at all drug stores in bottles of two sizes, fifty-cents and one-dollar.

**Your Child's Eyes**

If a child's sight is imperfect, correct glasses should be obtained immediately. If this is done the child usually outgrows the trouble, but otherwise the defect increases until glasses are inevitable, while a cure becomes impossible.

Many children's school hours are a torture because of the defects of vision. The child often does not realize its deficiencies, while its parents are all unsuspecting. So the trouble is neglected, the child's education is impeded, and its health seriously impaired.

Children who frown when reading, who complain of headaches, or whose eyelids seem sore or itched, should have their eyes tested without delay.

**IS DECAPITATED BY AN EXPRESS TRAIN**

Fitchburg, Feb. 26.—Henry Withington, aged 81, employed as a conductor on the Gardner, Westminster & Fitchburg Street Railway, was instantly killed when struck by an east-bound passenger train on the Boston & Maine at Wachusett street. His head was decapitated and he was severely bruised about the arms and legs.

It was customary for Withington to go to the Wachusett Station every morning to leave a mail pouch and to collect one, which he carried to Westminster with the early morning mail. After leaving the pouch, he waited on the east side of the tracks to allow a west-bound freight to pass and then, without apparently looking, stepped directly in front of an express passenger train bound for Boston which was running two hours and twenty minutes late.

Withington was tossed in the air by the locomotive and when picked up he was dead.

**MAON, GA., CHILD**

Made Strong and Well by Vinol

When I tell you that Vinol is the best remedy in my whole stock for making weak, puny, ailing children strong, robust and rosy I am only telling you what has been proved by hundreds of mothers.

J. L. Fickling, Macon, Ga., says: "My child was very thin and delicate, no appetite, nervous, and did not sleep well. Doctors did not help her. Vinol was recommended and the change after a fair trial was wonderful. She sleeps soundly all night, has a splendid appetite and has gained in weight. I wish every mother knew what Vinol will do for delicate children."

What Vinol did for this little girl it will do for every weak and ailing child because stinky children need the strengthening oil liver elements and the tonic iron that Vinol contains—that is why Vinol builds them up quickly and gives them a fine, healthy color. It is pleasant to take and I guarantee that the results will satisfy you—money back if they do not. Watson's Drug Stores.
