

ACT OF BRAVERY RECOGNIZED

Royal Humane Society Award to Gordon K. Kelly and Eric Murray.

Saved Life of A. W. Watson in Saint John River in July, 1924

An interesting event is to take place here next week when Gordon King Kelly, son of J. King Kelly, K. C., and Eric Murray, son of Isaac Murray, will each receive the Royal Humane Society of Canada award for saving the life of A. W. Watson, of Saint John, on July 9, 1924.

THEIR BRAVE ACT.

The deed for which they are to receive the award was performed near Crystal Beach on the Saint John river. Mr. Watson was standing on the bow of a motor boat and the swell of the river steamer D. J. Purdy rocked the motor boat to such an extent that Mr. Watson was thrown into the river. At the same time the anchor on the motor boat slipped and in falling struck Mr. Watson on the head, rendering him unconscious. His plight was seen by young Kelly, who was in a canoe, and he hastened to the rescue. He caught hold of the injured man but was unable to bring him to the surface until he was joined by Murray. They succeeded in getting Mr. Watson to the motor boat, where he was cared for and in a few hours was well as ever.

NOT SOLD.

A three tenement building at No. 20 Middle street was offered for sale this morning at Chubb's corner, was withdrawn at \$1,475. A building at the corner of Waterloo and Middle streets was also withdrawn at \$1,400. W. A.
