There have, as usual, been several changes in the staff of teachers, and we have to mourn the loss by death of Miss Newman, whose faithful labours, often in great bodily weakness, will be long remembered by both teachers and scholars.

Mr. McKAY, who so successfully carried on the Young Men's Bible Class for several years, had to devote himself to other work, but his place has been supplied by Mr. GREGOR. It is to be regretted that more young men do not avail themselves of his instructions. There are now 219 scholars and 32 teachers on the roll. Increased interest in the subject of Missions has been awakened during the year. A Mission Band, called the "Willing Workers of St. Paul's Church S. School," has been formed. These meet together on Wednesday afternoons and inform themselves as to the missions of our church. Amongst other new work, the scholars have agreed to raise \$70 a year to support a Sunday-school in Formosa, under the Rev. Dr. Mackay. The scholars of the Infant Class, assisted by a few of their young friends, supplied gifts for a Christmas Tree to the sick children in the Montreal General Hospital, and this school still supports a cot in the children's ward there, called the St. Paul's Church S. S. Cot, at a cost of \$60 a year.

The Bible-Classes.

Mr. J. MURRAY SMITH, and Mr. D. M. GREGOR, a student of Theology in the Presbyterian College, Montreal, have conducted these classes, as formerly, with gratifying success. The attendance, however, is still far short of what it ought to be in so large a congregation as St. Paul's. The want of suitable class-rooms is increasingly felt to be a serious obstacle in the way of obtaining a larger attendance.
