Readers of the Commercial can not well force that a large space has for years been taken up by Kendall's advertisements—especially of a certain Spavin Cure. Kendall's Spavin Cure will cure spavins There are hundreds of cases in which that has been proven to our certain knowledge, but, after all, if any person coufines the usefulness of this relebrated medicine to curing spavins alone, they make a big mistake. It is the best medicine known as an outward application for rheumatism in the human family. It is good for pains and aches, swellings, lameness, and is just as safely applied to men, women and children as it is to horses. We know that there are other good liniments, but we do believe this spavin cure to be far better than any ever invented. tenances to carried and the fourth day of August, A. D. 1884.
