

MR. C. C. HAUN. The following remarkable facts are fully certified to as being andeniably correct in every particular. Mr. Hann is well known in the vicinity, having resided here over fifty years, and is highly respected as a man of the strictset honor, whose word is as good as his bond.

As will be seen from his letter, four physicians had attended him, and it was only after he had given up hope of cure that he decided to try Burdock Blood Bitters on the recommendation of a

Dran Sins,—I think I have been one of the worst sufferers you have yet heard of, having been six years in the hands of four of our best doctors without obtaining permanent relief, but continually growing worse, until almost beyond hope of recovery, I tried your Bitters and got relief in a few days. Every organ of my body was deranged, the liver enlarged, hardened and torpid, the heart and digestive organs seriously deranged, a large abscess in my back, followed by paralysis of the right leg, in fact the lower half of my body was entirely useless. After using Burdock Blood Bitters for a few days the abscess burst, discharging fully five quarts of pus ourst, discharging fully five quarts of pus in two hours. I felt as if I had received a in two hours. I felt as if I had received a shock from a powerful battery. My recovery after this was steady and the cure permanent, seeing that for the four years since I have had as good health as eyer I had. I still take an occasional bottle, not that I need it but because I wish to keep mas I need it but because I wish to keep
my system in perfect working order. I
can think of no more remarkable case
than what I have myself passed through,
and no words can express my thankfulness
for such perfect recovery.

In this connection the following letter from T. Cumines, Esq., a leading druggist of Welland, Ont., speaks for itself:

Mesers. T. Milburn & Co., Toronto.

GENTLEMEN,—I have been personally acquainted with Mr. C. C. Haun for the last 20 years, and have always found him a very reliable man. You may place the utmost confidence in anything he says with regard to your medicine. He has on many occasions within the last four years told me that it was marvellous the way the Burdock Blood Bitters had cured him, and that he now felt as able to do a day's occasionally, as he says, to keep him in perfect health.

Yours truly,
Thomas Cumines,
Welland, Ont. The steadily increasing sale of B. B., the length of time it has been before the people, and the fact that it cures to stay cured, attest the sterling merit of this monarch of medicines, the people's favorite blood purifier, tonic and regulator.
