

AN ADDRESS

DELIVERED BY THE REV. E. M. SANDFORS... AT THE DEDICATION OF THE NEW SEMINARY BUILDING...

The conditions and aspects of the religious life and training on these grounds are the same in the college, academy and seminary...

Christ is both Lord and God and here. He founded this school. He is its rightful proprietor. His deep words are...

What a contrast there is between a lady thoroughly educated but lacking the grace of personal religion in her heart and life...

tempts are made to avoid fiction by compromising truth and adopting expediency. To be prepared for conflicts where right is asked to step aside and make room for compromise...

What I would ask further, did the Master say respecting the kind of seat to choose in religious assemblies?

It ought to be remembered, also, that many seem to attend the prayer meeting in fine weather for the purpose of passing an agreeable hour in observing what is going on...

Christ's life outwardly was one of the most troubled lives that ever was lived; tempest and storm and tumult and tumult, the waves breaking over it all the time...

Death and life lie so close together that we cannot come to the end of our furrow without remembering that the summons to drop the hand from the plough will come for us before the weeds are trodden by the share...

Minard's Lintment is the best. The highest praise has been won by Hood's Pills for their easy, yet efficient action.

The Religious Training of Children. How soon can the religious training of a child be begun? It had almost answered, "As soon as it is born."

Saved My Life. I have recommended it to hundreds. I find the most effective way of taking this medicine is in small and frequent doses...
