BUILDING FUND.

When our last report was published the Building Fund was carrying a mortgage of	\$2,180 00
With an interest for six months, amounting to	70 00
Also a loan in '88 from Hospital and Home Fund of	92 06
And another in '89 from same, of	222 00
	<hr/>
Making a total indebtedness of	\$2,564 06

Owing to the untiring efforts of Mr. Jamieson of the *Intelligencer*, and the princely generosity of friends, we have been able to wipe off all debts, and place an Insurance of \$10,00 for thirty-six months, upon our buildings.

On March 5th the Building Fund Act was closed, and a detailed statement by the Auditors has been presented.
