

Was Reduced to a Skeleton GIVEN UP BY THE DOCTORS AND PREPARED TO DIE "FRUIT-A-TIVES" SAVED HER LIFE

The days of the miracle have not passed away. Every day—almost every hour—"Fruit-a-tives" is performing miracles of healing in some part of our country. One does not ordinarily think of miracles in connection with fruit juices—and yet it is fruit juices that are changing sick, helpless, and sometimes dying, people into happy, healthy men and women. Here is just one case in which the cure made by "Fruit-a-tives" was nothing short of a miracle.

MADAME ARTHUR TOURANGEAU.

Madame Tourangeau suffered for eleven years and was finally given up to die by her physicians. Yet "Fruit-a-tives"—the marvellous remedy made of fruit juices—completely cured her and restored her to health. Here is her letter—read it—and it—profit by it.
Riverside A. Pierre, Co. Portneuf, Que., May 9th, 1910.
"I look upon my recovery as nothing short of a miracle. I was for eleven years, constantly suffering from Chronic Dyspepsia, and Indigestion with Constipation. The last two years of my illness, I was confined to my bed nearly all the time. I was treated by several doctors and they simply did me no good. During the latter part of my illness, I was so thin that I weighed only 90 pounds, and I vomited everything I ate. Even water would not stay on my stomach.
"The doctors gave me up to die as the stomach trouble produced heart weakness and I was frequently unconscious. I received the Last Rites of the Church and looked forward to death in a short time. I was reduced to a skeleton.
"At this time, a lady friend strongly urged me to try "Fruit-a-tives" and how thankful I am that I did so. When I had taken one box, I was much better and after three boxes, I was practically well again and had gained 20 pounds. I have taken 13 boxes in all and now weigh 130 pounds and am absolutely well—no pain—no indigestion—no constipation—my heart is sound—and complexion clear.
"For the sake of other sufferers, I give you permission to publish my letter and photograph."
MADAME ARTHUR TOURANGEAU.

The stomach is a bag about a foot long and six inches wide, covered by a muscular coat and lined with delicate membrane. This lining membrane should pour out for each meal about a pint of Digestive Fluid called Gastric Juice, which dissolves or digests the food.
If the food is not dissolved properly, or if the Gastric Juice comes from the blood—and the only way to have strong, active Gastric Juice is to keep the blood pure by keeping the bowels and kidneys regular, and the skin active.
"Fruit-a-tives" will always cure Indigestion, Sour Stomach and Chronic Dyspepsia because the fruit juices act on liver, bowels, kidneys and skin, purifying the blood. "Fruit-a-tives" relieves any irritation in the stomach—strengthens the muscular coat—and ensures the Gastric Juice being full strength and abundant. If you have any Stomach Weakness or Trouble of Digestion, by all means take "Fruit-a-tives." 50c. a box—6 for \$2.50—trial size, 25c. WILL BRING SUIT AGAINST THE CITY

Upheaval in Market Likely to Find its Way Into Courts—Mr. Williams' Goods Practically Destroyed.

The city authorities yesterday had the goods of Wallace Babkirk removed from one of the rental stalls at the head of the market to the Germain street end. The removal was made by Clerk Dunham, acting on the instructions of the higher officials. The goods belonging to the F. E. Williams Company, now at the lower end of the market have been practically abandoned.
Mr. Williams stated last evening that his goods had been seriously damaged by being thrown into the street and back into the market a number of times, and that he would look for compensation to the parties responsible for their removal. He stated that

he rented the stall from Roy L. Potts the lessee of the market tolls, and that he considered the action of the city authorities high handed and unlawful. He thought that when legal proceedings were instituted Ald. Vanwart, chairman of the safety board, would be obliged to satisfy his claim for damages.

HELP NEEDED IN TUBERCULOSIS FIGHT

St. John Association Doing Good Work, but is Hampered by Lack of Funds and Want of Suitable Rooms.

An idea of the work which the St. John association for the prevention of tuberculosis is doing in this city is illustrated by the report of the association for the month of October, just closed.
On October 1st, there were 14 patients receiving treatment and during the month 26 and of these 3 adults and 14 children. The total number of visits paid to the dispensary by all patients was 26 and of these 3 adults and 2 children were discharged, it being found that they were not suffering from tuberculosis.
The nurses in the month paid 62 visits to the homes and there were 69 visits of "co-operation."
The doctors assisting at the dispensary during the month were Dr. Smery, Dr. Skinner, Dr. Kenney, Dr. Pratt and Dr. McAvenny.
During the month the association received the following subscriptions:
Mrs. L. MacLaren . . . \$10
Miss E. Sydney Smith . . . 10
Main street Baptist church . . . 5
C. H. Ferguson . . . 2
Other donations were received during the month were requisites and drugs for the dispensary from A. Chipman Smith and George A. Moore, a dozen eggs and a blanket, and wraps for outdoor use.
Immediate Needs.
The immediate needs of the association are summed up in the report as, first: Suitable rooms, the rooms at present being available but for two hours weekly. An unfailing supply of sputum cups and fresh milk and eggs is also most necessary. Warm wraps are also required. The items of milk, eggs and wraps are required for the patients who are in need of assistance in taking the treatment of extra diet or of fresh air.
The committee is much encouraged by the way in which people are responding to the visits and suggestions of the nurse and also by their coming to the dispensary to be examined and treated by the doctors in attendance.
They hope that very soon they will be able to secure suitable rooms where the work can be more successfully carried on. There is a great work to be done in this city and the committee welcome assistance as the needs of the association are not sufficient to carry on the work as is desired.

WHAT CURES ECZEMA?

We have had so many inquiries lately regarding Eczema and other skin diseases, that we are glad to make our answer public. After careful investigation we have found that a simple wash of Oil of Wintergreen, as compounded in D. D. D., can be relied upon. We would not make this statement to our patrons, friends and neighbors unless we were sure of it—and although there are many so-called Eczema remedies sold, we ourselves unhesitatingly recommend D. D. D. Prescription.
Because—it cleanses, soothes and heals the skin.
Because—it enables nature to repair the ravages of disease.
Because—the records of ten years of complete cures of thousands of the most serious cases show that D. D. D. is today recognized as the absolutely reliable Eczema Cure.

BRITISH STEAMSHIP TRONGATE, CAPTAIN HUNTER ARRIVED AT BOSTON LAST THURSDAY WITH 26000 BAGS OF SUGAR FROM CARDENAS.

For five days the steamer had breathed a hurricane at Cardenas with two anchors down at the end of 80 fathoms of chain with no communication with the shore. When the storm abated the vessel got under way and she had hardly entered the gulf stream when a screaming gale opposed her progress and she was working up by Cape Cod. Everybody was hungry when the vessel tied up at South Boston. Captain Hunter says it was a terrible trip. The steamer received Nantucket and was working up by Cape Cod. The Trongate is well known at this port, having been in the Havana port trade out of this port for several trips.

Sermon by Charles T. Russell, Pastor Brooklyn Tabernacle
The Message of the Hour to the Church and to the World

"The voice of him that crieth in the wilderness, prepare ye the way of the Lord, Make straight in the desert a highway for our God. . . . And the Glory of the Lord shall be revealed, and all flesh shall see it together. . . . The voice said, proclaim, all flesh is grass, and the goodliness thereof is as the flower of the field. The grass withereth, the flower fadeth, because the spirit of the Lord bloweth upon it. Surely the people are grass."—Isaiah xl, 3-7.

London, Oct. 30.—Pastor Russell, of Brooklyn Tabernacle today addressed an audience of nearly 4000 people from the above text. His hearers were of all classes and very intelligent appearing. He had closest attention. He said in part: "The Lord has messages for those who have hearing ears at each great dispensational change in earth's affairs. These messages have generally been in the nature of forewarnings of coming distress and the reasons therefor. Such a message was given to our first parents when they were expelled from Eden—accused, scolded, and ground for their sakes. Thorns and thistles it would bring forth unto them. In sweat of face they should earn bread thereof until they should return to the ground from whence they came. Another great message went forth at the time of the flood; another before the destruction of Sodom and Gomorrah; another at the close of the Jewish Age, when Jesus and His Apostles called attention to the prophecies which foretold the Divine re-jection of the Jewish nation for a time and declared that all things written in the Law and the Prophets concerning them would have fulfillment, quoting the prophecy which declared that the house would be left desolate; that they would have neither prophet, nor vision, nor priest, nor ephod for many years, but that eventually God's favor would return to Israel; that he would gather them again and fulfill to them everlasting blessings promised both to Abraham and to his descendants—"The sure mercies of David."

A week ago we considered the prophetic message, "Comfort ye, comfort ye, my people, saith your God" (Isaiah xl, 1). We noted then that the due time has arrived for the fulfillment to Israel of this comforting message—that as people the appointed time for the return of favor to them is accomplished. We noted that the discipline for sin have been fulfilled. Thus our present day is clearly marked and the words of our text following imply that now is the time for a special message to all, in proportion as each may have the hearing ear.
It is the voice of God which calls now through various channels and agencies. It cries not from the "City of Babylon the Great." It cries not from the citadel of Christendom; but from the wilderness, from those who are or less, from those who have heard the voice of the Lord saying, "Come out of her, my people, that ye be not partakers of her sins, and that ye receive not of her plagues" (Revelation xviii, 4).
Prepare the Lord's Way.
The message of the hour to every hearing ear is, "The Lord whom ye seek shall suddenly come to his temple. . . . Rightly appointed in His creatures; hence we may be sure that His way is one of the most abominable qualities in His sight. Hearken to the words of the Great Teacher, "Woe unto you, scribes and Pharisees, hypocrites! * * * for ye love men to praise you: ye despise to do one of your fingers" (Luke xi, 44-46).
Let all who have heard the message of Christ; all who in any sense of the word profess to be God's people, put far from them the hypocrites which appear so abominable in others. Let us be honest. Let us practice what we more than we ever preached. Let all who belong to the Lord be indeed burning and shining lights in the world—examples of holiness and righteousness in their homes, in their neighborhoods, in the workshop and in the markets. Let us not only proclaim and act in making straight before our feet the pathway of our God, but let us conform our words and deeds and thoughts thereto. The general result of the uncovering of the hypocrites, the idols and idols, the bringing of them to light, and the proclamation of the straight way of the Lord, will have a great effect, and that effect is declared by the Prophet. It will be a Revolution—in symbolical language, an earthquake. Note the picture given: "Every valley shall be exalted, and every mountain and hill shall be made low; and the crooked shall be made straight, and the rough places smooth." Not in one instant will all this mighty transformation of society be accomplished. Not at once will all the degraded members of the human family be brought to the general standard or level. Not at once will the mountains and hills (the kingdoms and principalities of the world) be brought down to the common level. Not at once will this general equalization of society be effected. But it will be effected. "The mouth of the Lord hath spoken it."
"The levelling process already is begun. In Germany, for instance, one-fourth of the Reichstag is composed of Socialists, notwithstanding the fact that the wealthy have several votes to the poor man's one. Already we see the great mountain (or nation) of Russia yielding to the demands of the people and granting them a measure of civil rights. There we see a practical illustration of the lifting up of the valleys and the bringing low of the mountains. In Great Britain we see another wonderful raton of this principle; for here, more than in any other Kingdom of Europe, perhaps the distance between the mountain tops and the valleys is the greatest. Degradation, however, has been lessened, so that in Great Britain the change demanded by the new Kingdom, Messianic Kingdom, will be less than in many other countries. Here it has come gradually.
"The Time is at Hand."
"The Glory of the Lord Revealed."
A well-known American author (Henry Ward Beecher's Sister) once wrote some words which seem prophetic:—"I can see His coming judgments, as they circle all the earth; and I see the signs and groanings promised, to precede a second birth; I read His righteous sentence, in the words of the Lord, 'I will visit you with My Kingdom with an earthly king; not a papal kingdom exhorting the world to righteousness in the name of the Lord! Not a Protestant ecclesiastical empire exhorting to godliness! But the real Kingdom of God's dear Son, so long promised, so long prayed for, is at hand! It will be a spiritual em-
