SEVENTY NINE YEARS YOUNG

"FRUIT-A-TIVES" KEEPS HEALTH PERFECT

WILLIAM PARSONS, Esq.

serve to induce some others to try "Fruit-a-tives" I hereby authorize its publication.

Obstinate Constipation, Paralysis of the Bowels and Stricture of the Bowels can never be cured by common purgatives, salts, senna, "liver pills" and oil have positively no action on the liver. They do not increase the secretion of bile, which nature provides to move the bowels. They utterly irritate the membranes lining the intestines. One may as well try to cure a headache by pounding one's head against a stone wall, as to try to cure Constipation with common purgatives. "Fruit-a-tives" is the only true liver stimulant. "Fruit-a-tives" is fruit juices and nerve tonics, and will always restore the liver to its proper condition and cure the most obstinate cases of Constipation. 50c. a box, 6 for \$2.50, trial size, 25c. At all dealers or sent on receipt of price by Fruit-a-tives Limited, Ottawa.

"I am a seventy-nine year old man, and a great believer in, and user of, 'Fruit-a-tives.' It is the only medicine I take, and I can truly say that 'Fruit-a-tives' and exercise keep me in my present good health."

Stricture of the Bowels, was the complaint I suffered from and I found 'Fruit-a-tives' to do me more good than any other remedy. My doctor advised me to stick to 'Fruit-a-tives' and I have done so with the best results.

I have been in business here for a good many years and have been a resident of Otterville for over 40 years, so that if you think this little reference from me will
