Too Gay for Rent-- But Just Wait!

Young human butterflies won't really spread their wings till after Lent, but they are thankful that Lent came early this year, for the pretty clothes hanging in their wardrobes, gowns and hat-trimmed frocks, are all waiting for the spring. This particular creation of a Paris milliner is of dress cloth covered with floral black lace. The hat-trimmed wings are of the same material, with a black edged black velvet. WOMAN ESCAPES OPERATION
Was Cured by Lydia E. Pinkham's Vegetable Compound
Elwood, Ind.—Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon. Mrs. SAUK HULLIN, 2728 N. B. St., Elwood, Ind.
Why will women take chances with an operation or drag out a sickly, half-cured condition, when they can find health in Lydia E. Pinkham's Vegetable Compound? It has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration. If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lowell, Mass., for advice. Your letter will be absolutely confidential, and the advice free.
