Gorman Given Great Welcome On Arrival

Presented With Diamond Cuff Links and Gold Pin, Greeted by Large Crowd.

Charlie Gorman arrived here yesterday at noon and was given a great reception by the sport loving citizens of St. John, who gathered at the depot in large numbers to welcome the man who has in the last three weeks given this city more real advertising than it has received for a great many years. Prominent among the crowd that met him were members of the Knights of Pythias, of which order he is a member, and of the Commercial Club, under whose auspices "Charlie" was sent to the skating arena. From the depot he was taken to city hall, where His Worship Mayor Schofield, on behalf of the citizens, officially welcomed him and extended congratulations on the success which had crowned his efforts, and presented him with a pair of diamond cuff links on behalf of the city and a gold stick pin from himself. From city hall he was driven to his home on Main street.

At The Depot.

When the train pulled in the crowd, numbering many hundreds, were lined up in the train shed and as Gorman stepped off the car he was picked up by a number of friends and carried on their shoulders to the big sleigh which was in waiting. As he was carried through the shed cheer after cheer rent the air and it was one triumphal procession from the depot to city hall.

The Address.

He was met by Mayor Schofield who read an address and presented him with a pair of diamond cuff links, suitably engraved, on behalf of the citizens and a gold stick pin from himself personally.

The address was as follows: "It is with much pleasure that we welcome you back to St. John, and to offer you our most sincere congratulations on the splendid success you have had in the various events which you have so recently taken part in in the skating world. We have followed your movements with the greatest of interest, and we are fully convinced that you have done us much credit. "In all these events, it has not only been Gorman, but Gorman of St. John, N. B., who we look upon your victories as not only personal victories for yourself but of very great credit to St. John. "It is our hope that you may be spared to continue the good record you have already made, and that you are enabled to get further training, you may, at the same time, bring glory to yourself and incidentally to St. John in the future, than you have done in the past. "In order to express to you our sincere appreciation of the result you have accomplished, it gives me very great pleasure on behalf of the City and its citizens to present you here with, with a small token of our appreciation of what you have done for our city as well as for yourself and to state that you will always carry with you the best wishes for your future success from every member of this council and I am sure from every citizen of St. John."

Gorman Replies.

Mr. Gorman in a brief speech thanked the mayor for the very kind words of appreciation and for the gifts which would always be treasured by him. He had done his best and was always ready to do anything in his power to bring credit to his native city. Cheers for Gorman and the Mayor brought the proceedings to a close and Gorman was then driven to his home on Main street. The banquet to him under the auspices of the Commercial Club and the Knights of Pythias will be held on Tuesday evening next at Castle Hall, Union street.

St. Patricks Won Very Close Game

Toronto, Feb. 16.—St. Patrick's assumed the leadership of the National Hockey League by defeating Ottawa 4-3 here tonight in a well played game that was marked by frequent penalties and close checking. On the play St. Patrick's deserved the old goal, although it must be admitted that the score adequately represents the play. With but three minutes of play remaining the teams were on an equal basis, 3-3, but "Babe" Dye again proved the saving hand and netted the old goal and victory.

SPORT PROGRAMME FOR NEXT SEASON

At a small but enthusiastic meeting of the G.W.V.A. last night Athletics furnished the topic for discussion. A tentative sport programme for the coming season was drawn up and will be fully discussed at the next regular meeting of the association.

ALERTS VS. MONCTON

The Alerts have completed arrangements for a trip to Moncton to play a return game with the C. N. R. team of that city. In the last contest between these teams, the C. N. R. defeated the Alerts by a small margin and the local team hope to win the return game.

Fast Hockey Game At Bathurst

Campbellton Wins Over the Local Team by Four Goals to One.

Bathurst, Feb. 16.—What was unanimously described as the fastest hockey game ever played in the Bathurst rink took place tonight when the "Boobies" from Campbellton looked horns with the local "Irishmen," the former winning by a score of four goals to one.

Night from the jump the play was lightning fast, and throughout the three periods there never was a slack minute. Campbellton scored one tally in the first period, two in the second and one in the third. Bathurst's only goal coming in the third.

The scores were as follows: For Campbellton—Starrack, 2; Payne, 1; Sharpe, 1; for Bathurst, McManus.

Magnificent hockey featured the opening session and no criticism could be made of the brand displayed in the second period, although it was slightly marred by a succession of penalties.

Mr. J. A. Murray, of Amherst, who refereed the game, interpreted the rules according to the letter as well as the spirit and stamped out any tendency towards deliberate rough work. The stars for Campbellton were Starrack, McLean and Laviole, the last named making a notable come-back as goal tender; for Bathurst, McKenna, McManus, H. Mesban and Schryer were prominent.

The Line-up—

Laviole	Moar	
McLean	H. Mesban

If Team Wins from Mount Allison They Will Play King's College.

Manager Atkinson and ten players will be taken along and according to captain Bert Burgess, if U. N. B. wins at Sackville, they will not return until they have played Kings College on neutral ice for the summer trophy early next week.

Manager Clarence H. Wade of the Marysville hockey club has received an invitation for the Marysville team to play at St. Stephen this week.

However, Marysville will play the St. John hockey club here tomorrow night and will not play any further games this week. Sandy Staples, of this city, has been agreed upon as referee of the St. John-Marysville game.

Halifax Team Is Coming To St. John

Wanderers of Sister City Will Try Conclusions at Basketball With Y.M.C.A.

The manager of the Senior Y. M. C. A. Basketball team has received a wire from the Halifax Wanderers confirming arrangements for a game between the two teams in the local association Saturday, Feb. 22. A plan is being drawn up and reserved seats will be sold for this match. Already a block of fifty seats has been snapped up and a packed house is looked for.

For the past fifteen years St. John has never met Halifax in any basketball match. As the Wanderers are considered the best team in Halifax and the Y. M. C. A. Seniors are champions of the Maritime Provinces, a most interesting time is promised when the sister city teams meet.
