

REPORT OF NIGHT SCHOOL

FOR THE WINTER OF 1890, UNDER THE CARE OF THE
WOMEN'S CHRISTIAN ASSOCIATION, HALIFAX.

The night school, under the direction of W. C. A. re-opened in January, and remained in session during two nights of each week until April, 1890. Number registered 42, over age attendance 20. A good staff of Teachers were in attendance. There were very few visitors at the school during the term. The room was always in the best of order, clean and comfortable, and the Secretary of the School Board, Mr. R. J. Wilson, provided all the necessary supplies.

The closing evening was very pleasant. A tea was provided by the teachers, and some members of the W. C. A. Prizes were given the girls for regular attendance and good behaviour. The Rev. Mr. McPherson kindly presented them. Mrs. Farquharson addressed the school, and tendered a vote of thanks to the teachers from W. C. A. After the programme which was rendered by the girls, consisting of reading, recitations, and singing, Mr. McPherson closed with prayer.
