Messrs:

**Mr. Speaker:** Since there has been a negative recorded vote on motion No. 1, I am advised that there may be a disposition to decide motion No. 2 on a voice vote. I wonder whether this is the disposition of the house.

**Mr. Aiken:** No, Mr. Speaker, that was not the agreement. After motion No. 2 is disposed of I may have a suggestion to make in connection with motion No. 3.

**Mr. Speaker:** The question then is on motion No. 2, Mr. MacDonald (Egmont):

That Bill C-202, an act to provide incentives for the development of productive employment opportunities in regions of Canada determined to require special measures to facilitate economic expansion and social adjustment, be amended, by deleting paragraph (f) of clause 2 and substituting therefor:

(f) "facility" means the structures, machinery and equipment that constitute the necessary components of

- (i) a manufacturing operation;
- (ii) a tourist operation;
- (iii) a service operation;
- (iv) a processing operation other than an initial processing operation in a resource-based industry.

The house divided on motion No. 2 (Mr. MacDonald, Egmont) which was negatived on the following division:
