

The Prince of Wales' Automobile Tires

EARL GREY
H.R.H. THE PRINCE OF WALES

SIR GEORGE GARNEAU, MAYOR

¶ This photograph of the Prince of Wales, taken in front of the Garrison Club, Quebec, shows the Royal car used during the Tercentenary.

¶ This car was equipped with the well-known

"Canadian" Glincher Tire

manufactured by The Canadian Rubber Co. of Montreal, Limited.

¶ These tires were selected, after a great deal of consideration and investigation, on account of their well-known reliable qualities.
