

secured from fire, as above stated, and which the surveyor might arrange to have done subsequently.

Kindly forward to this Department a copy of the instructions you will issue to the surveyor. On the conclusion of the survey, certified copies of the surveyor's plan, field notes, report and account should be forwarded to this Department. The account should be in careful detail, in order that it may pass audit. It is estimated that the survey should cost in the neighbourhood of \$300. The amount available at present is \$245. Should the cost of the survey exceed this, the balance will be paid when next year's vote is available.

Your obedient servant,

W. H. MCLEAN

Secretary.
