Dear Arthur

You will think I am un-
grateful not to acknowledge your
kindness. But I am rather under
the weather. I am in bed with a
bad dose of shingles. from the
tips of my fingers to my shoulders
just my left arm. and that is
enough. it is beginning to peel off
some now. but it will be a week or two
before it is better. and very encouraging
neuralgia is likely to follow. but I'll
just have to have patience.

When Edgar got married Sara said
to me. what are you going to do. live with
Emma & Edgar. nothing doing I said.
I am going to earn my own as long
as I am able. I am going out nursing
