Ottawa, May 18, 1910.

Sir,-

On march 12, last, you were authorized to incur a small expenditure in the purchase of balls and skipping ropes for the Congo Bridge school and on the 12th inst. to have a suitable swing ~~xxxx~~ built.

This school intends holding a pionic on Victoria day and they would like to have the balls and skipping ropes and also to have the swing completed, if possible, before that date.

I have to ask you, therefore, to make the necessary purchases and have the work done before that date, as this will add much to the day's enjoyment.

Your obedient Servant,

Secretary.
