Ottawa, May 20, 1914.

Sir,-

I have to acknowledge the receipt of your letter of the 7th instant enclosing the school return of J. U. Paquet, late teacher of the Meadow Lake School, for the quarter ending March 31st, 1913.

In reply I beg to inform you that the Department is paying Mr. Paquet's salary for that quarter and a cheque for \$75.00, the amount of salary due, is being sent to you, which you will be good enough to hand to him. Although the return shows that there was no attendance during that quarter, as the teacher was present on the reserve and had not been instructed to close the school he is entitled to be paid his salary for that quarter.

Your obedient servant,

Asst. Deputy and Secretary.
