

If you get a chance to go to Toronto to
lecture, she will probably see her to
have these children here again. There are
certain social duties and has to perform!
Next best to have Beach out of bed tomorrow
and Harry ought to be home the end of next
week. It is well this happened in the holidays!
Let us hope next year will give us all a
fresh supply of health "spas".

This is all I have time to write if I am to
catch the mail for you to get this for Mrs. Janis'.

Best love dear Willie from each and every one
of us and I hope you realize how much we
appreciate all your kindness & generosity to us
all. I find it hard to put into words my
feelings, but hope you understand. May 1933
be very good to you in every way, and all
my happiness come to you in the new year
when the children join with me in sending
best love ever from loving sister
Janie.

Janie has Violet-Ed with her this week and he
very few spare minutes. I am writing this beside the
bed so please excuse writing. Harry was delighted with you
