

Two nights later at approx 2000 hours the male civilian came to the Sgts Quarters and told the Sgt Interpreter that the two men who were in their house at midnight of May 8th were at present in the area of their home and wanted us to accompany him back. When myself, Sgt Foulds and the Sgt Interpreter arrived there we found P-51171 Pte Hogan C.B. and a few moments later H- 42331 Pte Dwinski appeared. The civilians were quite definite in their identification of Pte Hogan as being the man who had entered the house and that Pte Dwinski had not entered the house but had stayed outside. Among things we were told had been taken from the house were three typewriters, one had been returned, one was a black Erica, one a small red or maroon one. One Lieca camera, a man's wedding ring and a chain bracelet. After hearing the story I placed both men under arrest.

The accused declined to question the witness.
