

## NOTE.

A second bulletin dealing with the mechanical systems of refrigeration, cold storage warehouses, pre-cooling, insulation, cold storage legislature, etc., is being prepared for publication by the writer.

---

**ACKNOWLEDGMENTS.**

I am very greatly indebted to Mr. J. A. Ruddick, Dairy and Cold Storage Commissioner, Department of Agriculture, Ottawa, for a great deal of this Bulletin, also to Mr. Madison Cooper, of Calcium, N.Y., who has helped me very much on many occasions in its preparation. Mr. M. T. Smith, an O.A.C. student, did the drawings.
