

Our Fruit Jars

Are entirely satisfactory this year. The glass is much heavier than it has been for several years. The tops fit on closely, and the rings are tight and good. The rubber rings are good this year also, and you can depend on your fruit keeping all right if you use our jars.

BABIES' WANTS

We have a splendid line of nursery supplies and baby comforts. Many articles not carried elsewhere, and everything of the latest and best design. Babies' combs, hair brushes, puffs, teething and feeding appliances.

FOODS FOR BABIES

Most of babies' ills come from disordered digestion. During the warm weather there must be unusual caution in the selection of foods. We have all the best infant foods, and we take pains to keep these delicate preparations fresh.
