THE EDITOR REMARKS

The standard of service and the character of the policies issued by The Mutual Life of Canada are so eminently above criticism and so notably fair and satisfactory that even its competitors ungrudgingly admit that it approaches the ideal excellence of that beau ideal of insurance companies, the Presbyterian Ministers' Fund of Philadelphia. No higher commendation could be given any insurance company. What our splendid New England Mutual Companies are to America, The Mutual Life of Waterloo, Ontario, is to Canada. We unhesitatingly commend to the attention of the insuring public the policies and protection of this company as an insurance investment "sans peur et sans reproche."
