DARLING & PARSON, Architects,
2 Leader Lane, Toronto.

PUMPING ENGINE

Notice is hereby given that the time for receiving tenders for the erection of either a five-million or a six-million imperial gallon, triple expansion, fly-wheel pumping engine for the Waterworks Department of the City of Toronto, Canada, which was to expire at noon on March 21st, has been extended to noon on TUESDAY, THE 15TH DAY OF APRIL.

THOMAS URQUHART (Mayor),
Chairman of Board of Control.
City Hall, Toronto, March 9th, 1905.

TENDERS

For Supply of from

20,000 TO 30,000 BARRELS OF CEMENT.

Sealed tenders addressed to the Chairman of the Committee on Works, for the supply of from 20,000 to 30,000 barrels of cement, will be received at the office of the undersigned up to 3 p. m. on TUESDAY, APRIL 4th, 1905.

Specifications and forms of tender may be obtained upon application at the office of Col. H. N. Ruttan, City Engineer, Winnipeg.

Each tender must be accompanied by an accepted cheque, draft or cash deposit for the sum called for in the form of tender supplied, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract if called upon to do so.

The city reserves the right to reject any or all tenders, or to accept any bid which appears advantageous to the city of Winnipeg.

C. J. BROWN, City Clerk.
City Clerk's Office,
Winnipeg, March 3, 1905.

THE BITULITHIC PAVEMENT

We are prepared to furnish Municipal Corporations and Responsible Contractors with the necessary plant, bitumen for the three courses, expert advice and laboratory testing on a royalty basis under our patent for laying the Bitulithic Pavement. We are also prepared to install Municipal Paving Plants.

WARREN BROTHERS COMPANY,
93 Federal St., Boston.

TO CONTRACTORS

Separate and lump tenders will be received until SATURDAY, MARCH 25TH, 1905, for the erection of new Cement and Structural Steel Boiler Shop, Extension of present Erecting Shop, and new Plate Shed, for the G.T.R. System at Stratford, Ontario.

Plans, specifications, and all information obtained at the office of

R. PATTERSON, Master Mechanic,
Stratford, Ont.

Tenders For Sewer Tile

Sealed tenders will be received by the undersigned up till the 10TH OF APRIL, for the following sewer tile, as per specifications on file in this office:

4,500 feet 6 inch tile.
3,000 " 8 " " tile.
120 Single Junctions 6 inch.
100 " " 8 inch.

J. K. ROCHESTER, Town Clerk,
Renfrew, Ont.

TO CONTRACTORS

Sealed tenders, addressed to the undersigned, will be received up till noon on FRIDAY, THE 31ST INST., for building all Concrete Sidewalks, Concrete Curbs and Gutters that may be required in the City of St. Thomas during the present year. A certified cheque of One Hundred Dollars, payable to the City Treasurer, must accompany each tender. Plans and specifications may be seen at this office.

JAMES A. BRILL,
City Engineer.

RICHARD SANDERS,
Chairman of No. 2 Com.

TENDERS

FOR SUPPLY OF WATER PIPE

Sealed tenders, addressed to the Chairman of the Fire, Water & Light Committee, for the supply of approximately 1750 tons of water pipe and specials of various sizes, will be received at the office of the undersigned up to 3.30 p. m. on MONDAY, APRIL 10TH, 1905.

Specifications and forms of tender may be obtained at the office of H. N. Ruttan, City Engineer, Winnipeg, Canada.

Each tender must be accompanied by an accepted cheque, draft, or cash deposit for the sum called for in the form of tender supplied, which will be subject to forfeiture in case of failure on the part of the contractor to enter into a written contract with approved sureties if called upon to do so.

The city reserves the right to reject any or all tenders, or to accept any bid which appears advantageous to the City of Winnipeg.

C. J. BROWN, City Clerk.
City Clerk's Office, Winnipeg, Feb. 4th, 1905.

WANTED — CIVIL ENGINEER

One that is a good draughtsman and has had some practical experience in Municipal field work preferred.

A. O. GRAYDON, City Engineer,
London, Ont.

TENDERS WANTED

Sealed tenders will be received by the undersigned up to FRIDAY, MARCH 31ST, 1905, for the erection of a four-room school at the Village of Bolton. Tenders received for the whole or part. Plans and specifications may be seen at the Clerk's office, Bolton, or at the office of the architect, Jas. A. Ellis, 209 Manning Chambers, Toronto, on and after March 20th, 1905. The lowest or any tender not necessarily accepted.

JNO. MACDONALD, Clerk,
Bolton, Ont.

TENDERS WANTED

Tenders are invited by the undersigned until MARCH 28TH, 1905, for the construction of a bridge over the Welland River known as Robins Bridge, about 2 miles from Perry Station.

The superstructure to be of concrete, built on oak piling 12 ft. 3 in. in height above low water mark. The superstructure is to be of steel 100 ft. in length with a clear roadway of 16 ft. width.

Tenders will be received for substructure or superstructure separately if so desired.

Plans and specifications may be seen at the Clerk's office, Welland. The lowest or any tender not necessarily accepted.

ROBERT COOPER, County Clerk,
Clerk's Office, Welland, February 27th, 1905.

WATER WORKS IMPROVEMENT

Saint John, New Brunswick

Sealed bids or proposals will be received at the office of the Common Clerk until 3 p. m. of WEDNESDAY, APRIL 12TH, 1905, for the construction of proposed Water Works Extension, which will be let in four contracts as follows:

Section 1—10,000 feet 33" woodstave pipe line and accessory structures.
Section 2—7,400 feet 39" reinforced concrete aqueduct.

Section 3—7,500 feet 48" reinforced concrete aqueduct (part in tunnel.)
Section 4—Concrete Masonry Dam on Mispec River (with headworks and gate-house.)

All bids must be made on the blank form of proposal, with contract and specification will be furnished intending bidders.

Each proposal on each section must be accompanied by a certified cheque for \$2,000, payable to the City of Saint John. A bond of \$15,000 on each of Sections 1, 2 and 3, and a bond of \$10,000 on Section 4, will be required for the faithful performance of the contract.

Intending bidders can obtain copies of specifications, and plans may be seen either at the office of the Common Clerk, Saint John, or at the office of the Consulting Engineer, Snow & Barbour, Boston.

The Board reserves the right to reject any or all bids or to accept any bid should the Board deem it for the interest of the City so to do.

WALTER W. WHITE, Mayor,
Chairman Water and Sewerage Board.
