VISITING CARDS.

75 VISITING CARDS, NO TWO ALIKE, 75 neatest assortment you ever saw, for 35 cts; 4 packs, 4 names \$1. With one lot for samples, you can get a dozen orders per day easily. \$3 white Bristol 10 cts. 50 do. 15 cts. No better work in the world at any price. "Never was so well suited before;" "You are the only visiting card printer I ever tried who does all he agrees to do." "I know what fifty yachts to get cards, and like yours best." "The use plus ultra of visiting card printing;" "More than satisfied;" and similar expressions come by every mail. Cards will be sent by return mail, and warranted to suit, or money refunded. My reputation rests upon this offer. Remember, the work is not done by inexperienced amateurs, but by some of the BEST PRINTERS in the country; and when you get the cards, you will not want to throw them in the fire or rag-basket. If you do not think you have double your money's worth, I shall be mistaken. Don't judge of my work by the imperfect and worthless cards that are flooding the country, samples of which I am constantly receiving; but give my establishment one trial, and you will say, with thousands of others, "Neatest and best I ever saw." Address **W. C. CANNON,**
712 Washington Street, Boston, Mass.

F. B. Owing to great demand, and not being able to obtain stock, my orders have been delayed a few days; but now I am rushing them off the day I receive them, and have facilities for printing four millions of cards a month, and hope to print even more than that number before long. People in Boston know I am not a humbug, and that what I say is true. **W. C. C.**
