Consult your wife about the new barn.

It's your duty, Mr. Reader. She has helped you make a new barn
possible. Get her opinion of "Galt" Steel Shingles. She has
probably read about them and her opinion is worth something to you.
Find out for yourself what "Galt" Shingles are made of—how they are
made—how they lock—how they make a storm, fire-and-lightning-proof
and permanent roof—how they save you money compared with any
other building material you can use. Or if your present barn needs a new
roof make it a first class barn by putting a "Galt" Roof on it. For old
and new barns, wood shingles are out-of-date, use

"Galt" Steel Shingles.
