VOLUME 54
No. 12

TORONTO, MARCH 19, 1915

ESTABLISHED
1867

In the Bond Market

Interest paid on our war loans. New Brunswick's issue. Features of investment situation. The *Monetary Times'* weekly register of municipal financing. Page 32 and Page 16

Mining in Canada

The Canadian production of silver last year was 27,544,231 ounces. Preliminary returns show that the mineral output for last year was reduced. Page 28 and Page 18

Million Miles of Wire

Canada's telephone record is second only to that of the United States. Joint stock companies are the most popular form for operation of lines. Some interesting statistics. Page 5

Dominion Trust Company

Story of some of the startling accounts of the defunct institution. Second mortgage of \$50,000 at 15 per cent. was guaranteed on Alvensleben's house. Page 7

After the War

Some opinions as to what situation business will face when the war concludes. Things that would help the Canadian position include an intelligent immigration policy. Page 9

Canadian Life Policies

The Dominion superintendent of insurance, Mr. G. D. Finlayson, tells the Life Underwriters' Association some interesting things about experiences, profits, rebating, etc. Page 12

Colonial Bank for Canada

A bill incorporating the Colonial Bank (Canada) has been approved at Ottawa. The parent institution was established in London in 1836 and has connections in West Indies. Page 20

Taxing Life Insurance

The taxation of life insurance either increases the cost of the commodity or diminishes the amount held. Colonel Macdonald's protest against Ontario's insurance tax. Page 40
