One half the amount subscribed to be aid at the regular District Meetings in the presnt year, and the other half prior to the Conferof 1866. It is very desirable that the small ams not yet paid should be handed in forthwith to the Superintendents of the Circuits re-

Probincial Parliament.

House of Assembly.

The business of the Session is nearly closed t week have not possessed much interest. and, was lost. The report of Committee on Pen:tentiary was presented. On Wednesday the following Bills passed in Committee:—to Pror, but thrown out by the House.—The Post ce committee submitted a report. The price General's bill, defining the Governtrailway policy, and giving effect to the lattice were discovered by the committee of the commit on providing for railroad extension, was taken up, and after some discussion passed. The following bills were agreed to:—Relating to River Bridge, in the county of Annapolis; Thing mines and minerals; relative to trusts I trustees; relating to proceedings in equity; the discount of the harboring life.

d the day. Several bills were sent down from

ticultural Society's Garden is rapidly assuming the likeness and the charms of spring. The trees and bushes are bursting into foliage, and some of the early vegetables show a bold front. You could nowhere see a lovelier display of Hot House flowers than you find under Mr. Hutton's

wallis. This school has been under the super-

day, a vast oil-bearing country. An American honorable to both countries, that the Queen of company have already erected aix derricks in Westmorland, and two in Albert; they have four the United States. I have been equally frank and explicit in the point that the friendship of steam engines on hand, but only two are yet in use. Two of the wells were bored by hand. A

during the summer. The oil has been forwarded to Pittsburg, Pennsylvania, where it has been friendly and well disposed to the maintenance of thoroughly tested and pronounced very fine. Oils both light and heavy have been obtained. What is designated the Goodie well, at Memramook, produces a beautiful light oil. On the Peticowell adapted to lubricating purposes. The rock in which the Company are now boring at the Goodle well is pronounced by competent judges in Pittsburg to be decidedly and distinctly an oil. aring rock. A friend has handed us a phial of

Burropean.

The new act to make better provision for the new action and there can be a passed Parliament. In accordance with the proposed measure the colonies may provide vessels and their indications surpass anything they have seen in the "Kanawha" oil region in Western to the Sauch as passed the sanction of Parliament.

The new act to make better provision for the suffer from Strumous complaints, and that one which will accomplish their cure must prove, as the proposed measure the colonies may provide vessels and raise men and officers, &c. Volunteers taked in a colony are to form part of the Royal hard agree as to the existence of oil, and say that it is not confined to any one locality, but exists in different sections. Practical men who have examined these oil formations say that the surface and other indications surpass anything they have seen in the "Kanawha" oil region in Western Virginia, oil is being obtained in such abundance.

If these valuable resources be opened up and rendered productive, it will have to be done, larged by by foreign capital. Men from the oil regions of the States have already expended here some and other indications surpass anything they have seen in the "Kanawha" oil regions of the States have already expended here some and other indications surpass anything they have seen in the "Kanawha" oil regions of the States have already expend

by by foreign capital. Men from the cil regions of the States have already expended here some \$12,000 in gold, and are expecting to expend a much larger amount in testing the various points of interest as to their oil-bearing capabilities. We sincerely hope they will go on and proper.

With all these matural elements of wealth and progress, surely this ought to be one of the most progress; surely this ought to be one of the most progress; surely this ought to be one of the most of any country. Let these be applied in sufficient measure to the mines, minerals, and other sources of Westmorland and Albert, and they will soon become the most prosperous sections of British America.

American States.

The assassin Booth has met with retribution. Company of the and an accomplies named Harrold were driver from a swamp in Maryland, and taking resonnent, with whose difficulties it sympathies. It is reported that Jefferson Davis has made his escape to Texas, and has taken with him a large amount of spoil. Gen Johnson's light the same of the states have a made his escape to Texas, and has taken with him a large amount of spoil. Gen Johnson's light the supering in the relieve dependency of the states have a such as the college of the many trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of embarding in the railway trains leading to the port of

fuge in a barn, Booth was shot and his companion captured. It is reported that Jefferson Davis has made his escape to Texas, and has taken with him a large amount of spoil. Gen. Johnson's negotiations with Gen. Sherman afforded Davis a favourable opportunity of escape, of which the latter may have availed himself. Gen. Sherman's fair fame has been blurred by his peace negotiation with Johnson, though it would probably a London correspondent to Provincial press.

1.00 Davis has brought him down, and has run off, interposition, and that right early, and for this neither the Premier nor the Foreign Secretary

A late despatch announces that Gen. Johnson has surrendered all the forces under his com-mand on the same terms which governed the surrender of Lee. In view of the immediate suspension of hostilities, the War department

this blow are the seeds of our national dismemberment, let him but look a little deeper, and see with what a single pulse of patriotic sorrow and affection the universal heart of the people is beating. Such a vow of consecration to the cause for which Abraham Lincoln died, will be uttered over his coffio, as never was recorded in heaven, and France will be withdrawn from Rome, and France will be withdrawn from Rome, and France will be withdrawn from Rome, and France will be withdrawn from Rome says: It was, asserted that the Ceunt de Sartiges will shortly be withdrawn from Rome says: It was, asserted that the Ceunt de Sartiges will shortly be withdrawn from Rome says: It was, asserted that the Ceunt de Sartiges will shortly be withdrawn from Rome says: It was, asserted that the Ceunt de Sartiges will shortly be withdrawn from Rome, and France will be withdrawn from Rome says: It was, asserted that the Ceunt de Sartiges will shortly be withdrawn from Rome, and France will be withdrawn from Ro cause dearer to us than now, since it numbers one so illustrious and so beloved among its vicone so illustrious and so beloved among its victims. There is not a mother mourning a son in his soldier's grave, but feels her own personal sincers to purchase a fire engine for the town of an acqueduct time. There is not a mother mourning a son in his soldier's grave, but feels her own personal griefs lightened at the thought, that the honored the chief magistrate shares in the martyrdom of the chief magistrate shares in the martyrdom of the chief magistrate shares in the martyrdom of the lowliest fallen soldier boy. There's not a maintent of the collection of railway rates in the sounty of Hants. The bill relating to traffic in the streets of Halifax was introduced by Mr. Pryor, but thrown out by the House.—The Poat Office and the thought of the far more deadly wounds, in the thought of the far more deadly and the streets as usual. blow struck at the very centre of the nation's hope and affections; there is not a man of business but will bear his share of the public bur-dens the more cheerfully, and ask what more he can do and suffer for a cause so atrociously as-saulted. All that powerful class of feelings, that
