**Worthy of Note!**—An exchange says, there is no such thing as a day passed that we don't hear from either from persons coming into our office or one other way, of the success of Johnson's *Arnica Liniment* in the cure of coughs and colds, so prevalent about town just now.

If we can benefit readers of the *Provincial Freeman* by recommending the *Provincial Arnica Liniment Pills* to be the best anti-tubercular medicine in the country, we are willing to do so.—We have had about as good a chance to know as any one.

The following is from the *New York Spectator*, a prominent insurance journal: It is quite a compliment to a Canadian institution that it attracts the favorable notice of the American press:  
The Canada Life Assurance Company has obtained from E. Wright a valuation of its policies and annuities at \$1,000,000. It holds the reserve fund at 5 percent. In 1860, the reserve fund was \$778,125.20. To take this into account of the company's balance sheet, there is a surplus of \$101,789.91. The calculation of Mr. Wright has, we understand, been
