These INKS are rapidly taking the first place among atramental fluids, and, where ever introduced, have given perfect satisfaction, They are prepared with chemical accuracy, and may always be depended on for uniformity. The

Blue Black Writing Fluid.

Will be found a great comfort to those who have much writing to do, as it posses es all the characteristics of the best imported Inks, and has been pronounced decidedly superior in regard to its freedom from a tendency to clog and corrode the pen. Testamonials have been received from many gentleman holding the highest places in professional and Commercial circles, and this Writing Fluid is now largely used in leading Legal Educational, and Financial Establishments.
