**FURS**

\$50,000

In the costliest as well as in the most inexpensive  
furwear shown at the new store, you can see,  
by the cash price tickets on each garment, and  
by our cash estimates on all ordered work,  
that our cash prices are quite a little lower  
than the lowest in the city, and fully 25 per  
cent. below the average prices first asked usu-  
ally elsewhere. We have but one price and  
that is the lowest—and it is spot cash. We are  
showing superb values in seal garments.
