U.G.G. ELEVATORS

Is there one of these near you?

If there is—

You will find a courteous, intelligent agent in charge who will give you all service in handling your grain. The combined service of The Alberta Farmers' Co-operative Elevator Company Limited and The Grain Growers' Grain Company Limited is ready to take care of your crop in a way that will satisfy you.

If there isn't—

Our Commission Department at Calgary or Winnipeg is well equipped to handle all cars that are shipped to us on consignment. Thoroughly experienced staffs in both offices look after your interests and attend to all details. Everything is done to insure satisfaction to the shipper.

Also—

Every U.G.G. Elevator Agent can supply you with all farm implements, machinery, lumber, fencing and co-operative supplies at very close prices—or these can be ordered direct from our Winnipeg, Regina or Calgary warehouses.
