and the Meuse. The British were pincipally engaged between Lens and St. Quentin, and were opposed most stubbornly by strongly reinforced German troops. The British everywhere maintained the ground previously held, and advanced at several points. At Fresnoy, the most easterly salient of the British between the British Bri several points. At Fresnoy, the most easterly salient of the British between Lens and Cambrai, a most desperate struggle for possession was still in progress at the week's close. The British took the village from the Germans, but had subsequently to retire; then, returning to the attack, regained a portion of the ground. Further to the south, in the vicinity of St. Quentin, the British also made further gains. South of Laon, on the now famous Chemin des Dames, "The Ladies' Road," the French strengthened their positions and renewed the offensive the several points. At Fresnot, the most desperate to fully observed by Great Britain for a century after the regime of the other contracting party has been relegated to contracting party has been relegated to merited oblivion. As Hon. Jeremie Decarie pertinently asked the French-Canadian audience at the disgracefully interrupted recruiting meeting in, Montivation of the ground. Further to the south, in the vicinity of St. Quentin, the British also made further gains. South of Laon, on the now famous Chemin des Dames, "The Ladies' Road," the French strengthened their positions and renewed the offensive

The Crisis!

Untold sacrifices are being made in defence of the world's liberty, assailed by the Hun, who declares he fights for "existence." Let us not

forget that other crisis in which the fate of the dread Liquor Traffic, subdued just now by the necessities of war, is also fighting for existence.

Dear Mary:

crisis comes after the war.

The total value of foodstuffs destroyed by the liquor traffic in

1916 was approximately \$4,244,090.22. Add to this the immense

waste of transportation facilities, clogged and hindered by

carrying the grain to destruction, and again conveying the product of

the breweries and distilleries to make precious men less efficient

Ontario's Splendid Record

Since September 16, 1916, Ontario has enjoyed good enforcement

of Prohibition in all but a few districts. Not the most daring

anti-prohibitionist hopes for a return of the curse of the traffic in

Ontario. Here are some figures showing results in Ontario's largest cities for the last three months of 1915 and 1916:

ARRESTS FOR DRUNKENNESS

Toronto 2,908...... 953

Ottawa 286...... 234 Hamilton...... 498...... 61

Brantford 152 16

Note,-"It will be noted that Ottawa has not much reduction in arrests for drunkenness. It is perhaps strange

that it should show any reduction in the drunkenness record, inasmuch as it is separated only by the river from
