CANADIAN AFFAIRS. (FROM OUR OWN CORRESPONDENT.) Sayings and Doings of the Seat of Government—Cameron and Hincks—The Common Pleas—The Indian Problem—Lord Elgin's Fashion—Amusements—The W. Hutton.

Some comment on this letter is required. Mr. Cameron asserts that he was called on to give his assent to the Resignation of Mr. Cameron, and that he refused to do so.

There is a stilling light up here, indeed a regular "let up," about the Resignation of Mr. Cameron. The Lord Elgin comes to the scratch for Henry Sherwood. In spite of Crooks and Chanery, Robert Baldwin still backs H. J. Boulton; while Mr. "Cansell" is a hold-out for his friend "Barra." The most likely thing, that neither will get, but that a compromise will put in some outsider.

Mr. Mayor Gurnett is doing the tugman for Lord Elgin; and his made several vain attempts to get up some cheer for His Excellency on the occasion of his attending Balls, &c., &c., but the crowd will not cheer, and Mr. Mayor is becoming a laughing stock. G. Duggan is to be the next Mayor, as no contest is anticipated.

Malcolm Cameron takes the Chair at a Temperance Meeting to-night. I shall attend, although I fancy he will have too much good sense to mix up fancy-water and politics. He is leading on Annexation; but the party is getting consolidated. The coming Elections will show their strength.

On the Monday after Mr. Cameron's resignation, it being deemed proper that some public arrangement should be made in relation to the Globe of the following day, and Mr. Cameron having stated in his written resignation the grounds on which, as a public man, he intended to justify that step, the following paragraph was prepared by Mr. Hincks, and sent to Mr. Cameron for his approval.

"I regret exceedingly to learn that the Hon. Malcolm Cameron has resigned the office of Assistant Commissioner of Public Works. Mr. Cameron, it has been understood, has for some time been desirous to retire from the Department of Public Works, and would have done so had it not been for the illness of his wife. Mr. Cameron's resignation is the change which has taken place in the Public Works Department. The resignation of Mr. Cameron is a great loss to the Department of Public Works, and it is to be regretted that he has been obliged to resign. It is to be regretted that he has been obliged to resign. It is to be regretted that he has been obliged to resign.
