GERMAN EMPEROR AGENT OF PEACE.

EMPEROR WILLIAM II OF GERMANY

Mr. Andrew Carnegie, after the ceremony of the unveiling of a bust of the late Sir William Randall Cremer in the Hall of Justice of the new Peace Palace at The Hague, paid a glowing tribute in a speech to Emperor William of Germany. He said: "Surveying the world to-day, the most striking figure to be seen is that of the German Emperor, who recently celebrated his twenty-fifth year of a peaceful reign. His hands are unstained with human blood—a unique record. Hence Germany's astounding progress, educationally, industrially and commercially, proving that the greatest of all national blessings is peace."

AT THE GEM THEATRE

Judging from the well filled houses patrons at this popular resort undoubtedly appreciate the policy of changing films three times weekly, Mondays, Wednesdays and Fridays. The special feature being shown (on Wednesday and Thursday) is "The Royal Engineers," a two part railroad story, filled with thrilling incidents, and it is from the Cities studio, the makers of that famous picture "Quo Vadis." Other splendid films shown were "The Old Clerk," and "Too Much Parents' Past," the latter being a skit on the new parcels post system in the States.
An apartment isn't the only place in which marriage is a fat failure. A correct guess passes for wisdom—with the man who makes the guess. Nearly every woman dislikes flattery—when she hears it applied to others.

FARMERS FLOCKED TO THE EXHIBITION

Threatening Weather Failed to Dampen the Agriculturalists.

TORONTO, Sept. 4.—Threatening skies and intermittent showers did their worst to spoil the day given over to the agriculturists at the Exhibition yesterday, but though the city people turned out in smaller numbers than usual during the day, it needed more rain to prevent the farmer from taking advantage of the day that is peculiarly his own. As a consequence a goodly number of rural visitors were present in the grounds all day, and the stock buildings and sheds, the horticulture and vegetable exhibits, the poultry show and farm implement tents were thronged with interested sightseers, and the buildings generally were well filled with the crowds that ordinarily parade around the grounds.

Foresters' Splendid Work

One of the most fascinating spots in Society Row, if not in the whole Exhibition Grounds, is the large striped tent of the Independent Order of Foresters overlooking the waters of Lake Ontario. It is surrounded by shrubs and foliage on the outside, whilst its interior is even more inviting. The floor is richly carpeted, and scattered around are plenty of easy chairs for the comfort of tired visitors. Flowers and palms add to the restful appearance of the tent.

Laid at Rest

Leah Jones.
This morning Leah, the five year old daughter of Mr. and Mrs. Matthew Jones, 239 Wellington street, was laid to rest in the Hagersville cemetery. Impressive services were conducted at the residence of the parents, and at the grave by the Rev. W. E. Bowyer. Beautiful floral tributes were received.

Frank Buda.

The funeral of Frank, the infant son of Mr. and Mrs. Andrew Buda, 10 Main street, took place this morning from the residence of the parents to St. Basil's church, thence to St. Joseph's cemetery for interment. Rev. Father Clohery conducted the services.

LATER WIRES

SAN DIEGO, Cal., Sept. 4.—Lieut. Mosley of the Signal Corps, U.S.A., was killed to-day in an aeroplane accident at the army aviation school here.
MESSINA, Italy, Sept. 4.—Another earthquake shock was felt here this morning and created a fresh panic among the inhabitants. The shock lasted five seconds.
SWINEMUNDE, Germany, Sept. 4.—The Russian torpedo boat destroyer Novik, established a record when she attained a maximum speed of 37.3 knots on her trials here yesterday. Her average speed over the measured mile was 37 knots. The Novik, which was built in Germany, burns oil and is not fitted with smoke stacks.

Merchants Pleased.
The chilly weather to-day caused a broad smile on the merchants' faces but brought woe to the wearers of straw hats. Mayor Hartman stated in the city hall this afternoon that he would not ring the fire bell for the discontinuation of the summer head ware but would allow them to be worn until September the 15th.

Larger Than Ever.

Coose Is Favorite.
Which player on the Red Sox is to be awarded the gold watch and chain said Capt. W. H. Newman this morning? In the spring Messrs. P. H. Second and Sons donated the prize to be awarded the most valuable player on the Brantford team and as yet no decision has been given. President T. J. Nelson stated this morning that official scores in each of the cities of the Canadian league were to be the judges but as yet he had not heard from them on the matter. As soon as Mr. Nelson hears from the scorers announcing their choice the watch and chain will be donated to the player who proclaimed the most valuable player. Among local fans and players Coose is regarded as favorite by a big majority.

A Disgraceful Exhibition.
Buffalo Times: They all the cheap sensationalists and shoddy emotion-mongers are not on this side of the northern frontier, was manifest in the hysterical hallyhoop by which sympathizers with Harry Thaw almost caused a riot in Judge Globensky's court room. It was a disgraceful scene, and in characterizing it as such Judge Globensky expresses the same opinion of law-abiding citizens both in the United States and Canada.
