

The Want Ad To-day is One of the Things That Tends Most to Success!

YOUR ASSETS.

Have you ever taken careful stock of your assets to see how much you had in health, wealth and modern advantages to help you climb the ladder to better things?

Many people do not take the trouble to consider just which their assets are and, indeed, are never really aware of many of them. For this reason many of their assets lie idle and they never realize on them.

But there is one asset that is common to all people, and one that no one in these days can afford to overlook; namely, the Want Ads of the newspaper.

Take the time to think of the many ways in which the Want Ads can help you in your daily living. Then use them!

LESS MEAT IF BACK AND KIDNEYS HURT

Take a glass of Salts to flush Kidneys if Bladder bothers you

Eating meat regularly eventually produces kidney trouble in some form or other, says a well known authority, because the uric acid in meat excites the kidneys; they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the kidney region; rheumatic twinges, severe headache, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.

Rippling Rhymes

THE DUMP.

And now we may behold, my friends, where conscienceless ambition, five years ago the Kaiser sat, with eagles on his golden hat, the ruler of a mighty state, in industry and commerce great. The Kaiser might have said, "One with me, how prosperous my country is! The junk I'll receive, no doubt, when death has put me down and out. In future ages men will cry, 'How sad Kaiser's fifth sheaf die!' Our country's never been the same since he cashed in and quit the game; no other Kaiser's had his pep, and we go backward step by step." They'll miss his name till time is done, and chaos shall engulf the world. But Kaiser Wilhelm sat alone, upon his large upholstered throne, and said, "It's not enough for me, this gruff of rolling Germany." It is too small and cheap a thing for one with my majestic front. The whole blamed world must kneel down and tremble at my war lord frown. My ships must boss the seven seas, my banners float in every breeze." And now we see the Kaiser's end; there's none so poor to call him friend. And men will gather round his grave, and say, "He was both fool and mad." With world-dominion dreams he fooled, and wrecked the mighty land he ruled.
