the following on 2nd inst.:

So far as the Maritime Previnces are cqueerned, Confederation was a great blow to them. It checked their development. It has saut their people by thousands and wans of thousands to the United States. It has transferred their trade to strangess, it has filled the country with office holders, increased taxation, and made harder the conditions of life. We have not increased our interest in the Upper Provinces to any appreciable extent. We cannot sell to our fellow Canadians any great amount of goods, and in no way have we been benefited. That a time must come when the people of the Mari-ALEXADRIA, Sept. 6.—Antonio readiness to march to the assistance any great amount of goods, and in no way have we been benefited. That a time must come when the people of the Maritime Provinces will imperatively demand a re-arrangement of the terms of Confederation is as certain as that the sun shines.

ALEXADRIA, Sept. 6.—Antonio readiness to march to the assistance of General Graham. At eleven being connected with the plot against the lives of Europeans, will be sent to Greece. He is not confederation is as certain as that the sun shines.

Legacy Sept. 6.—Antonio readiness to march to the assistance of General Graham. At eleven being connected with the plot against the lives of Europeans, will a considerable distance from the solution of the series of General Graham. At eleven against the lives of Europeans, will a considerable distance from the solution of General Graham. At eleven against the lives of Europeans, will be sent to Greece. He is not considerable distance from the solution of General Graham. At eleven against the lives of Europeans, will be sent to Greece. He is not considerable distance from the solution of General Graham. At eleven against the lives of Europeans, will a considerable distance from the solution of General Graham. At eleven against the lives of Europeans, will a considerable distance for General Graham. At eleven against the lives of Europeans, will a considerable distance for General Graham.

Has not her population increased at within a half hour's march of the not the trade of the country increased? Look at the returns take 1879, before the present boom,

been made harder for the savings of the people of this Province, even before the present period of prosperity had set in, increased to an almost incredible extent, thus:

SAVING'S BANK. SAVING'S BANK.

traffic on the L. C. R. would not be find the state of the "what will you give"—policy of the state of the "what will you give"—policy of the state of the "what will you give"—policy of the state of the "what will you give"—policy of the state of the "what will you give"—policy of the state of the "what will you give"—policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the "what will you give "policy of the state of the work required of it.
