ELIHU WOODWOR1H.
Sackville, Sept. 11th, 1890,

a solitary country walk. This would not have been such a strange thing to do had the hour been less unconventionally early, and had I confined my pedestrian feats to the summer time; but this I did not do. Winter and summer were alike to me then, and at both seasons I invariably rose at four o'clock and was out of the house before five; and I need hardly remind you that at that hour, in the winter, it is quite dark, unless of course, there should be a moon. The habit did not originate in my ca-e from caprice. It arose from a wretch

here's a Large Element of Progre Direct from the Leading Fashion we are continually receiving charmin Surprises in New Styles, Making ours the counterpart of leadin displays in London, Paris, and New York. felled trees—of which there was all ways a numer lying prone upon the ground—I would watch the daylight gradually appearing, and the sun rising grandly out of the sea. After the sun had fairly risen I always ending to hurry home; but how can I paint the amazement, the horror I teously drew the hand hitherto concerning any early risers who might be about the place, and the rest of the day I would shat myself up with my silently—with cat-like steps—arrived were realized when I beheld the sight of the dayling the daykness; a man was sittle of the dayling day gleam upon the COLORS ARE COOD, SHAPES bsolutely no better Millinery Work an Materials the country over,

Flour & Sugar. our, Sugar, Tea; Keresene Oil, Lard Raisins, Currants, Soaps, Pickles, Cheese, Apples, Lobsters, and other Goods usually kept in a GROCERY STORE. China & Crockery Ware this lodge had an uncanny appearance, and the report had once been of the man's hands were thrust, and spread (a ridiculously false one of course) that it was at times used as a "What is he hiding there? A pistol," I pray God and pray you, don't give GLASS SETS

strange habit of rising early—but was not reassuring.]
very, very early I mean—and taking a solitary country walk. This would been a good deal of rain during the "I therefore said kindly and pity-

from caprice. It arose from a wretch the moments of sudden obscurity I sauk down on the seat spellbound, ffee's of a great sorrow.

"My home at that time was in Scot looking up at the sky with a beating have prayed, but God won't hear me heart, and longing for the next ap How can He, when He is up there" land. I lived in a dear old home pearance of the rolling moon. One which was poised like a bird, upon a angry cloud had already released her, that hell?

rock and literally hung over the sea, the silver spray dashing carelessly her face before her blessed light could against its windows. On one side of the house there was a good sized old-fashioned garden, laid out in terraces of a man's hand, with one bony finger meet this morning, and He it is who down to the sea, and not a quarter of a mile distant from the other side was The moon seemed to roll s'owly and Him, when lying on your res less bed a thick firwood. It was into this painfully between the fingers looking wood that I generally strayed of a morning, and, sitting upon one of the last, with a bound, she emerged from felled trees—of which there was althe shadows, shining with a wild and when my companion suddenly started

books and music, a prey to harrowing during the darkness; a man was sittly a memories. I can not defend my worse ing on the seat, on the further end of than useless life at this time. My grief was selfish, and, therefore, all away, but his appearance was so pear-ment vouchsafed to me, for, following

"An escaped lunatic!" I thought, pathway generally only used by

who kept an establishment for incur- ardice, insolence, malice—all, all these I perceived the maniac was wa ching

who kept an establishment for incurable lunatics.

"Everything, however, seemed to go on quietly enough; he unhappy patients never, apparently, venturing beyond the park, which was shut in by large iron gates. These were always locked, but now and then passer; by caught glimpses through them of guant, strangley attired figures, and some-though rarely, of pale, anxious looking faces peering through the iron work. There was a ditapidated lodge at the entrance gates, surrounded by what, had been called years ago a garden, but now it was choked up by overgrown shrubs and evergreen, which seemed vainly strangling and struggling, out of kindly delicacy, to hids their old friend's broken windows and unhinged doors. Certainly this lodge had an uncanny appear.

"Pray!" I said.
"Oh, "he answered wearily,"

"But He does hear," I said solemn

the harder to bear for God has taugh me since that there is no such comfort in sorrow as that of seeking to comfort uation.

liarly alarming that my heart stood two horsemen were apparent through the trees, trotting slowly along a grassy

were there, and above a land through me narrowly, and he evidently determined to sell his liberty dearly.

or what is he hiding there? A pistol, it pray tool and pray you, don't give lead house,' for no living person was a knife, or what?"

were seen to enter the door, no smoke or come from the chimney, and when and how entirely I was, humanly less, with his face buried in my lap, being coach, which he did now and again, accompanied by some of his most favored patients, he invariably opened the lodge gates himself and carefully relocked them thus requiring no aid from a lodge-keeper.

"The doctor's vehicle, just mentioned, rather struck awe, I found, in the simple vilager mind; for my gardner related that one day as it was coming towards him, he saw it suddenly shut itself up with a loud snap. For all the wor-r-rld, said the sumple vilager in the sumple vilager mind; for my gardner struck awe, I found, in the sumple vilager mind; for my gardner related that one day as it was coming towards him, he saw it suddenly shut itself up with a loud snap. For all the wor-r-rld, said the sumple vilager mind; for my gardner related that one be sumpled to the sumple vilager mind; for my gardner related that one day as it was coming towards him, he saw it suddenly shut itself up with a loud snap. For all the wor-r-rld, said the sumple vilager mind; for my gardner related that one with a loud snap. For all the wor-r-rld, said the sumple vilager mind; for my gardner related that one day as it was coming towards him, he saw it suddenly shut itself up with a loud snap. For all the wor-r-rld, said the sumple vilager mind; for my gardner related that one day as it was coming towards him, he saw it suddenly shut itself up with a loud snap. For all the wor-r-rld, said the wor-r-rld, said the sumple vilager mind; for my gardner related that one day as it was coming towards him, he saw it suddenly shut itself up with a loud snap. For all the wor-r-rld, said the mercy of a madman, and I really don't know what folly and read madman, and I really don't know what folly and read madman, and I really don't know what folly my mand and I really don't know what fol

And the men kept coming on silently and steathily, nearer, closer, till at last one of them sprang forward and threw some kind of a cloth over the threw some kind of a cloth over the madman's head, while his companion placed gyves upon his wrists, and then —then I saw the Lideous knife fall harmlessly to the ground. I know not to this day when it happened, but before, (I suppose) the cloth had quite blinded the astonished maniac, and in the struggle that followed, he bit my hand nearly to the hone (I have bit my hand nearly to the bone (I have the mark now and always shall have it) but so excited was I that I never felt the wound till on my way home I saw the blood. It is not easy for me to describe what I felt when, after me to describe what i leit when, after the keepers had uncovered the poor wretches face, and were leading him away, cowed and manacled (but not subdued) he looked witheringly at me

and said between his closed teeth: God's bitterest curse upon you, for you cheated me with your prayers and lying words; and I trusted you, and

you betrayed me! Then came a string of imprecations in the midst of which the keepers hur-ried him into a vehicle which was fol-

lowing and they drove away. My story is ended. How I got home I know not; I was more dead than alive, and for weeks that awful face, those bitter curses and the cry— I trusted you and you betrayed me! unted me, and on every anniversary of that day I rise at the exact hour, pray God to bless, protect and comfort him (should he still be living) and all the wretched beings like him, whose humanity is shattered and their live

What is a Day's Labour. ONE day's work for a healthy liver is to secrete three and a half pounds of bile. If the bile secretion be deficient, constraint of the bile secretion be deficient, constraint of the bile secretion below the billiousness and tion, ensues; if profuse billiousness and jaundicc arise, Burdock Blood Bitters is the most perfect liver regulator known in medi-cine for preventing and curing all liver

House Builders A Free Trip Around the World.

This is the age of travel. The people are all educated and cultivated to such a degree, that in the hearts of almost every one there is a longing to see foreign countries and view the places whereof so much has been written and said.
