THE CLOSING SESSION.

The only consolation the dying man has when the sunset of his departing life gathers about his couch, is to look back upon his past life, and from that page then open to his eye, to read what the future promises to him. So too made, the Surveyor General in future promises to him. So too made, the Surveyor General immediately in his characteristic

looked so dark and threatening, and struck the main with such terrific force, that the trusty helms.

But "good name in man or wo man" being the immediate jewel of their soul, and the press of the cause. Ten thousand shames upon their heads. rific force, that the trusty helms-man at the wheel began to tremble for the fate of the ship. Upon for the fate of the ship. Upon land against the Surveyor General, one side he saw a trusty few, but round and about him he heard murmurs and threats that that same press which bore those he heard murmurs and threats that must have palled the heart of a hero. The men who had fought the battles of the country side by side with himself, were in this trying moment asked to desert his side, moment asked to desert his side, or suffer political annihilation as the consequence. Was it any wonder for the time he thought he means were adopted to work, and at the instance of the Chairman, wonder for the time he thought he means were adopted to work, and at the instance of the Chairman, over till next session. There is little doubt but the House will be LOCOMOTIVES. heard the rumbling of mutiny means were adopted to get such able to justify the Government for there and saw signs of desertions there. Then indeed the spectacle there. Then indeed the spectacle was more sorry than immoral. Hated political foes for the time manliness and justice enough at trouble the Government have had became warm and enthusiastic the Committee to tolerate no such to go through during the whole friends. The knife applied to each baseness as this, so the result was session. It is a serious as well as

perpetuate a wind storm: they strutted their hour, created like the fly on Æsops wheel a "might" all the Surveyor General should go home bearing a load of calumnies upon his back. on Æsops wheel a "mighty dust," then—burst like bubbles. Then the ship sailed safely into port.

> BALAAM'S ASS HATH LOST ITS BRAY.

It is but a few short weeks since as few since she has shown her Ottawa, on and after the 15th gratitude. It is all past and over April. now, and we care not to rake the smouldering coals again into burning. Yet, we are not, cannot be Ottawa, 1st April, 1880.

Ottawa, 1st April, 1880. forgetful; no it is only those who know not how to feel forget | Dept. of Railways and Canals, Ottawa, 1st April, 1880. | Stawa, 1st April, 1880, 1aw t May 15th. A baser act than that of St. John to Fredericton, has never blackened the page of any city since the days of Sodom. We need

not talk about that howl that for days and nights rang through the air,—it remains imprinted upon this city's memory, and time cannot efface it. But we never doubted NOTICE TO MACHINET CONTRACTORS the result, and have been but little astray as to the detai's of our calculations. The Legislature of this dersigned (Secretary of Railways and Canals and endorsed "Tender for Lock Gates, Welling and Endorsed" ("Tender for Lock Gates, Welling and Endorsed").

And then it was pondering o'er the 'waste of ruin,' we saw that by such change the time would be when our halls would be dewith our government. The sunset of the session has come, and the government of this country can now look back upon their record, and none better than themselves can tell from the past, what they may expect in the future.

The past session has been one of perpetual turmoil, of hopes and fears, doubts and firm beliefs. It was ushered in, in a storm, and there was no party that did not feel the ground quake and tremble under its feet. At first the storm looked so dark and threatening, and strength and several turnoil, of hopes and there was no party that did not feel the ground quake and tremble under its feet. At first the storm looked so dark and threatening, and strength the mall the same, so that they went and strength the mall the same, so that being the limited and the sum of the same and there was no party that did not feel the ground quake and threatening, and strength the mall the same, so that they went and strength the mall the same in mediately in his characteristic many the heads like dumb to the serion has been one of a Ritchie, could not make the shallow, cheap talk of a Ritchie, could not make the shallow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ballow, cheap talk of a Ritchie, could not make the ball of a Ritchie, could not make the bal ness.
