Two More Persons Under Observation.

Yesterday evening two young men named Spurgeon and Crewe, sons of Mrs. Rankin, of Haggerty's Lane, were sent to the Hospital in the ambulance. Both are ill and as it is feared they are developing typhus fever they were sent there for observation. Two houses in which there were cases of diphtheria and scarlet fever, respectively, were yesterday released from quarantine.

Colonel Frazer Dead.

Mr. W. R. Slater, merchant, this city, received a letter from New York yesterday telling him of the death of Colonel Frazer at that city on January the 29th. He died suddenly of heart disease. Colonel Frazer who formerly resided at Morganstown, U. S. A., was well known in this city. He was accustomed to come to Newfoundland every summer hunting in the interior with his wife. The last visit he made was about two years ago. He spent several weeks in St. John's on that occasion, and gave an entertainment at the Methodist College Hall in aid of the Alexandra Workers. He and his son had been planning to come here again next summer.

Vessels Towed In.

The John Green is towing in the Atilla coming from Brazil to Balne Johnstone & Co.; she picked her up at Bay Bulls this morning. The D. P. Ingraham is also towing in the Devonia also from Brazil, to A. Goodridge & Son, she was taken in tow at Trapani this morning. On the way down the Ingraham also picked up the Clementine from Oporto, and is towing in the two vessels.

Here and There.

POLICE COURT NEWS. — In the police court to-day two drunks were discharged, and a postponed civil case was adjudicated upon in the Central District Court.

PROPERTY PICKED UP. — A leather purse and a cigarette case picked up near St. Bon's College, Wednesday last, can be had by the owner from Sergt. Oliphant at the Court House.

BAD ROADS. — The road to Portugal Cove owing to the heavy snow drifts is in a bad condition. In some places the snow is up over the telegraph wires.

SIGHTED THE CLEMENTINE. — The s.s. Florizel in coming down the shore yesterday sighted the Clementine at 3 p.m. off Ferryland. The vessel appeared to have lost her main topmast and foremast, and no doubt had a period of very stormy weather.

TASKER LODGE. — The annual meeting of Tasker Lodge, A. F. & A. M., took place last night. Bro. H. E. Cowan, P.S.W., was elected W.M. for the coming year. Bro. A. Findlater was re-elected Treasurer. The installation will take place on St. Patrick's Day, March 17th.

EUPHRATES HELD UP. — Conception Bay is now full of heavy ice. The s.s. Euphrates is at Portugal Cove and the Captain was unable to make even an attempt to get across. The Progress is at Bell Island and there is no possibility of either steamer moving till a change of wind comes.

LOOKING FOR BERTHS. — The crew of 12 men of the Florizel, who had been on the ship all the time, are intending to go to sea to secure berths to the sealfishery in her. They think it unfair to be kept from going on the ship and intend approaching the principals of Bowring Bros. on the subject.

KILLED MANY SEALS. — During the past week seals have been very plentiful in the neighborhood of Twillingate and at least two hundred bedlamers and old harps have been shot by the shore folk, who have been out on the ice hunting them daily. The pelts will be sent here later in the season.

HE FELL OVERBOARD. — Yesterday the Jean was hauling out from Crobie's premises one of the men who was at work there casting off the lines fell overboard. He was quickly fished out but the water was intensely cold and he was chilled to the marrow. He had to go home quickly for a change of clothing.

STILL VERY ILL. — Mr. Thos. Burton, of the Thos. Smythe Co., who had three ribs broken recently while trying to prevent a coasting accident to his little boy, is still very ill and is now suffering from an attack of bronchitis. He is confined to his bed, but it is hoped that with good care and proper treatment he will recover in time.

MR. R. PHIPPAARD DEAD. — The death occurred last night at his residence, Water Street, of Mr. Richard Phippard. Mr. Phippard, who was a native of Placentia, had been in failing health for several years past and his death was not unexpected. He was a stone mason by trade and was highly respected and well liked in the community. His wife, a sorrowing wife and family the Telegram extends its condolences.

80 Minutes Overtime.

Acadia and University of New Brunswick played a remarkable game of hockey at Wolfville on the 16th. The game was fast and quite rough, and the first half stood 2 to 1 in favor of U. N. B. Ten minutes before the second half ended Corey scored up the score for Acadia, and when the bell rang the score was 2 to 2. They decided to play off, and from that until a quarter to twelve both teams strove hard to make the winning goal but all in vain. Finally, after playing 80 minutes overtime, with all the players tired out, the captains agreed to call it a tie.

The "White Kings."

Purple has always been considered the royal color. The ill-fated Charles I. was, however, at his own desire, crowned in a robe of white. Although he was seriously reminded that of the two exceptions to this rule, Richard II. and Henry VI., who wore white satin robes at their coronations, both had come to a violent end, one at Pontefract Castle, and on in the Tower, Charles I. was resolute in his decision, and when twenty-three years afterward, almost to a day, his body was conveyed to its grave through a heavy snow storm, the superstitious could not help remarking that the third "white king" had suffered a violent death.—St. James' Gazette.

Train Notes.

The west bound express left Benton at 7.45 a.m. to-day. The local via Broad Cove arrived here at 1 p.m., bringing Mr. Walsh, Miss Delgado and T. P. Connors.

Concert Held at Port de Grave.

On Tuesday and Wednesday, the 14th and 15th insts., a splendid concert under the excellent management of Rev. F. Severn was given by the church choir and friends in the C. E. D. schoolroom. The programme consisted of comic dialogues, a musical farce, comic songs and choruses. The affair was not as largely attended as it might have been, owing to the inclement weather. In spite of the weather, however, there was a considerable number of visitors from other places, including Rev. Mr. Sticking, and Mr. E. Dave from Harbor Grace, and Rev. Mr. Legge from Charles Beach. We desire to thank Mrs. H. Andrews and Miss Elsie French, who kindly acted as accompanists, and also the choir and its friends and all others who helped to make the affair a success. The proceeds amounted to \$20, which sum goes to repair the parsonage grounds.

CORRESPONDENT, Port de Grave, Feb. 16, 1911.

Here and There.

The B. I. S. Dramatic Club are preparing a new drama for presentation at St. Patrick's Hall, St. Patrick's Night. It is entitled "The Road to Kilmore," and is said to be a very beautiful performance.

The ice in some of the ponds is very thick now, and in some ponds it is over two feet thick. It is very heavy work cutting it, and the men on several occasions have suffered severely in the frosty weather prevailing.

During the past week or so heretics have been very scarce at Bay of Islands. The weather has been very severe the mercury being well below zero, and the fishermen suffered severely at their work. Some good dunks, however, have been made in individual cases.

A very successful concert was given in the B. I. S. Rooms last night under the direction of Mr. M. A. McCarthy. Songs were rendered by Messrs. M. McCarthy, Halley, Carter and Brophy; recitations were given by Messrs. Halley and Crotty, all of which were very much enjoyed.

Eric Collier, of the Fiddian team, while playing in last night's match, was badly hurt. At first he was hit with the puck over the left eye, and shortly afterwards he was hit in the same place with the stick and an ugly wound was inflicted. He played through the game, and after it was over had to be treated by a doctor.
