Stomach Misery

Indigestion, Gas, Heartburn or Dyspepsia vanish in five minutes. Every family here ought to keep some Diapepsin in the house, as any one of you may have an attack of Indigestion or Stomach trouble at any

gest anything you eat and overcome a distressed, out-of-order stomach five

minutes afterwards. If your meals don't tempt you, or what little you do eat seems to fill you, or lays like a lump of lead in your stomach, or if you have heartburn, that is a sign of Indigestion. Ask your Pharmacist for a 50-cent

case of Pane's Diapensin, and take vial. But, as Sir Robert Bond has ships had been gleaned. Last year There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, Nausea, Debilitating Headaches, Dizziness or intestinal griping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with
