WISDOM!

Blessed are they into whose dust God never moulded the wander lust. For the sweat from the brow of the men who roam, will turn to gold for the stay at home. And he who goes where the long trail calls will spend his life in overalls. But there are times, I will admit, when all my chores I hng to quit and cast aside my heavy load and join the hobo on the road.

The way to success is—Turn to the right and keep going.

"Can dogs find their way home from long distance?" asks Peter. It's according to the dog. If it's one you want to get rid of, he can find his way around the corner.
